

*Meanwhile in Eden.
A long shot of the beautiful natural environment.
Two animals are chewing grass, shitting. Birds are
singing.*

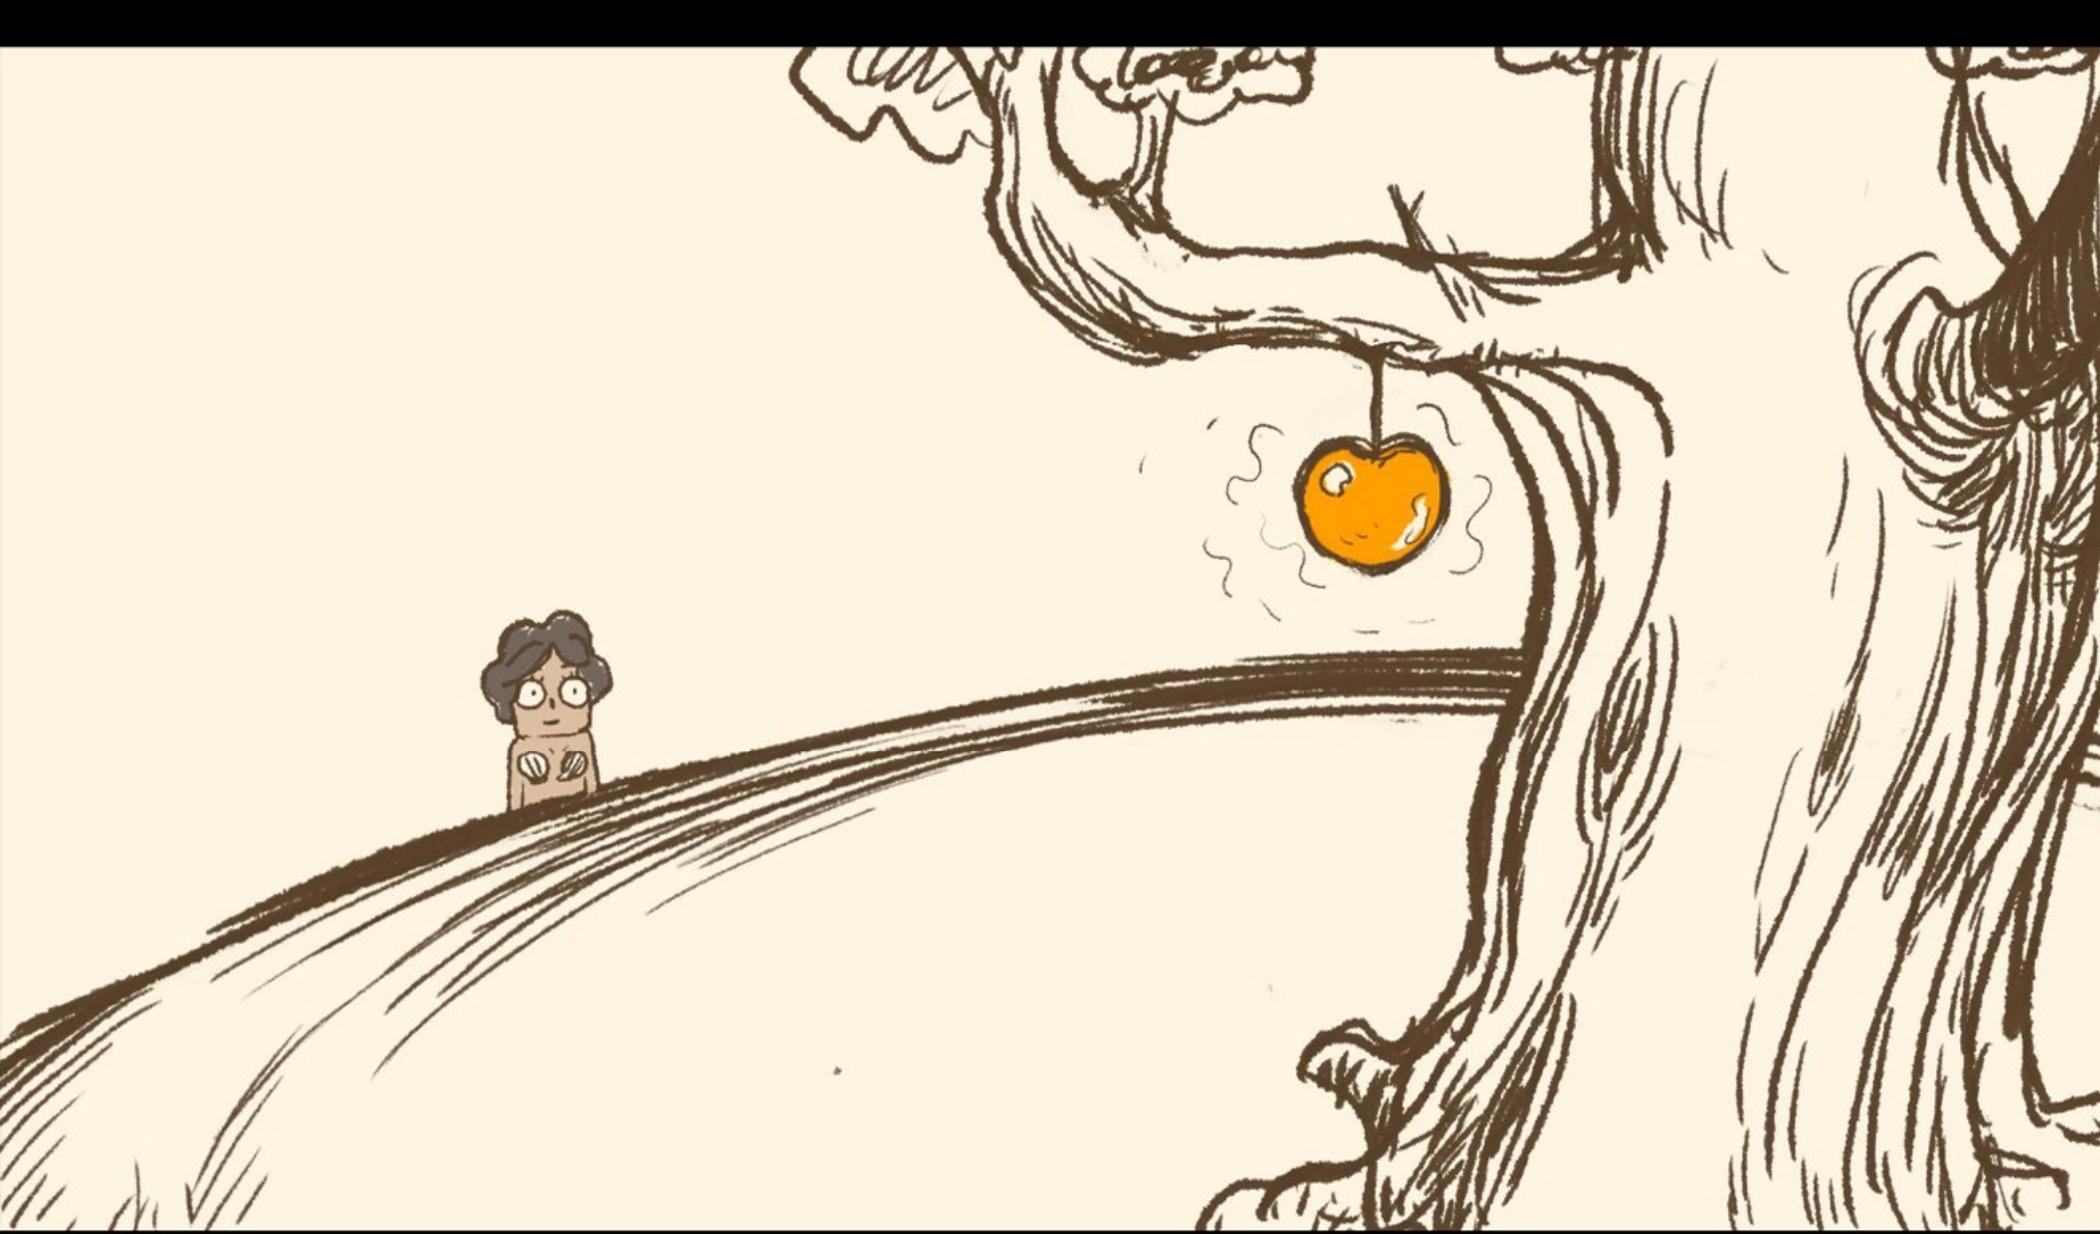

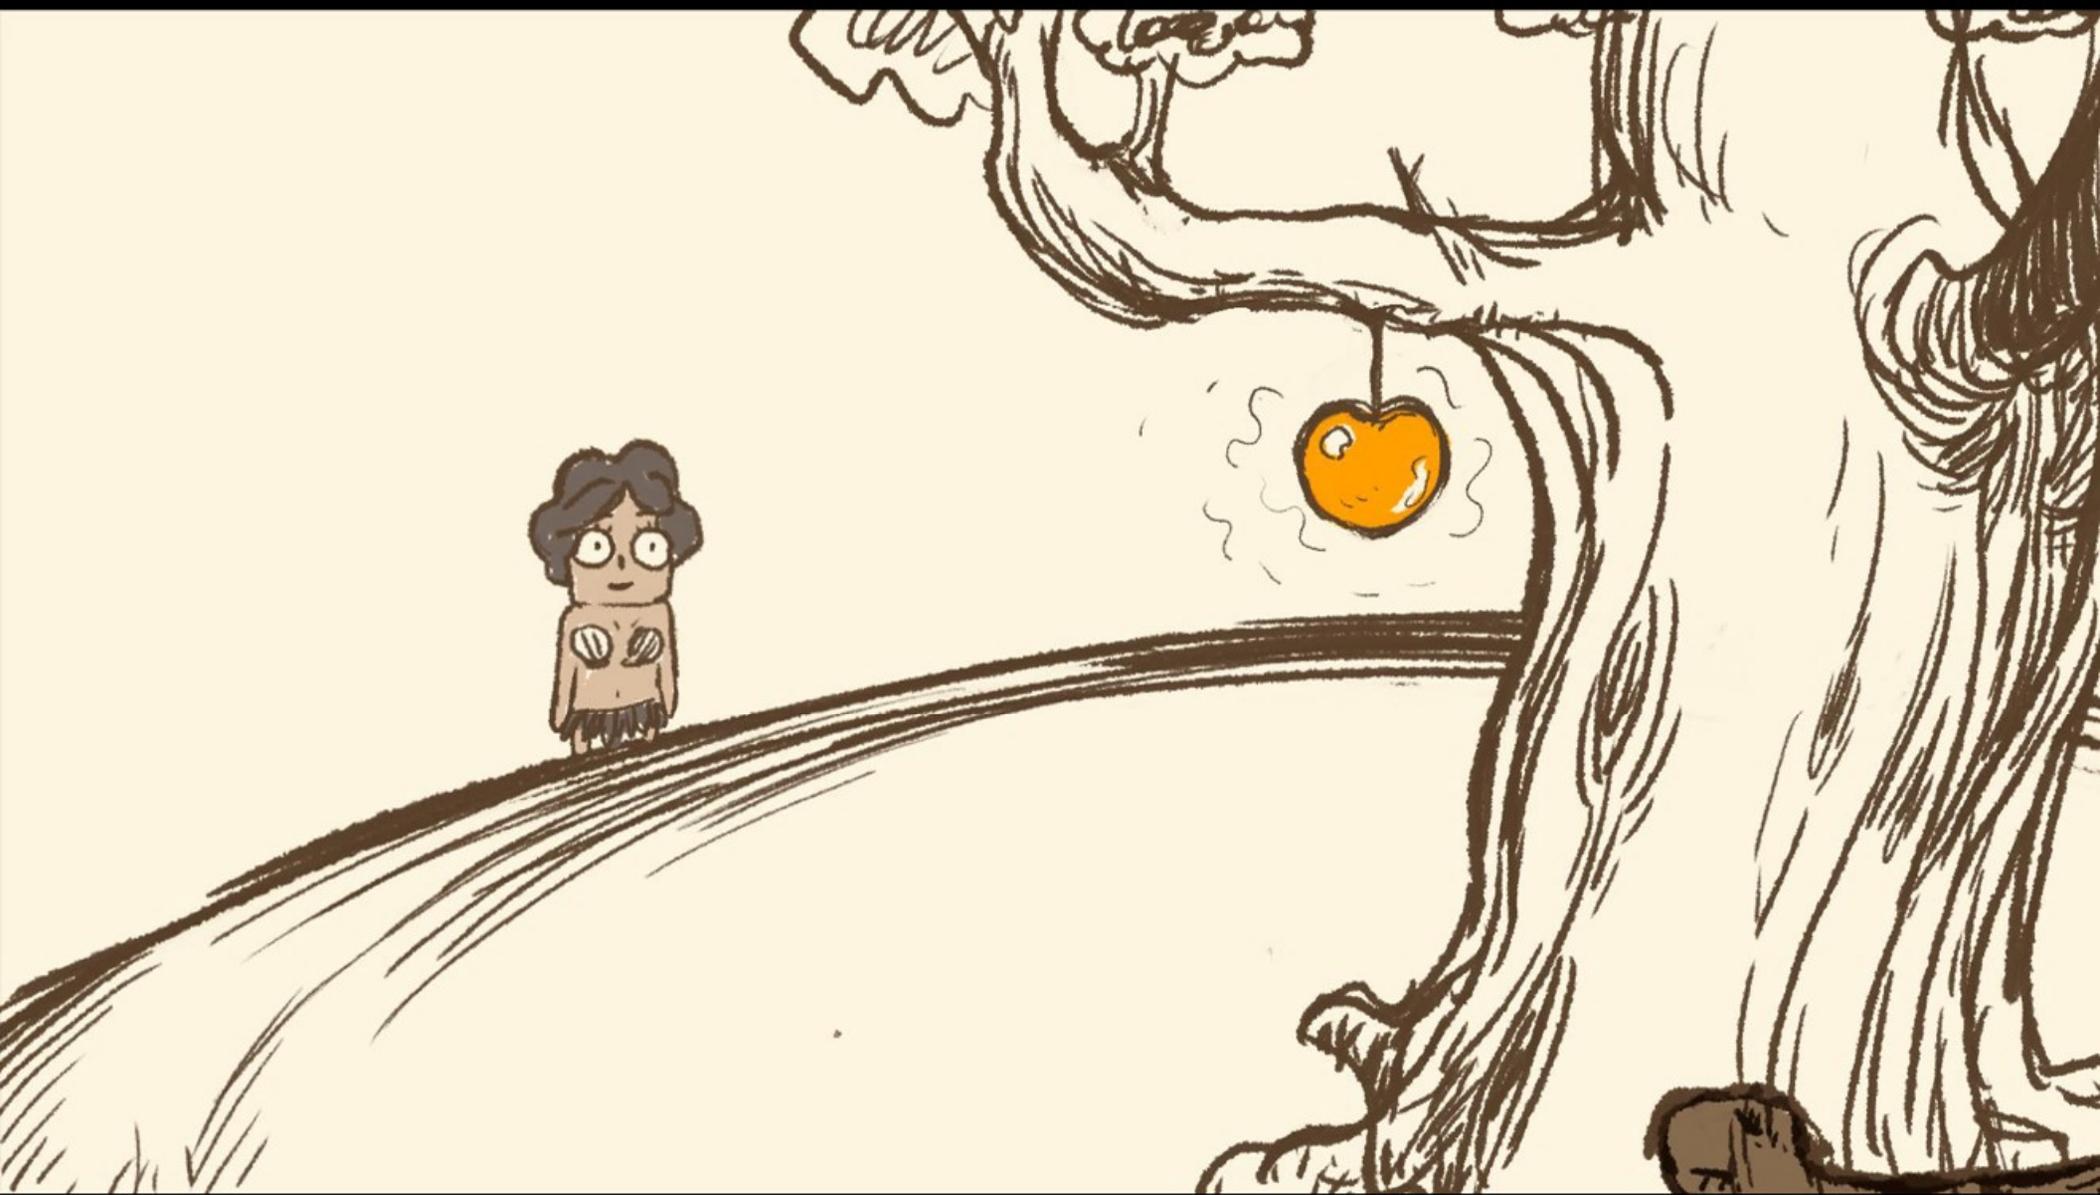

The camera follows a nude woman walking towards a tree with glowing fruit.

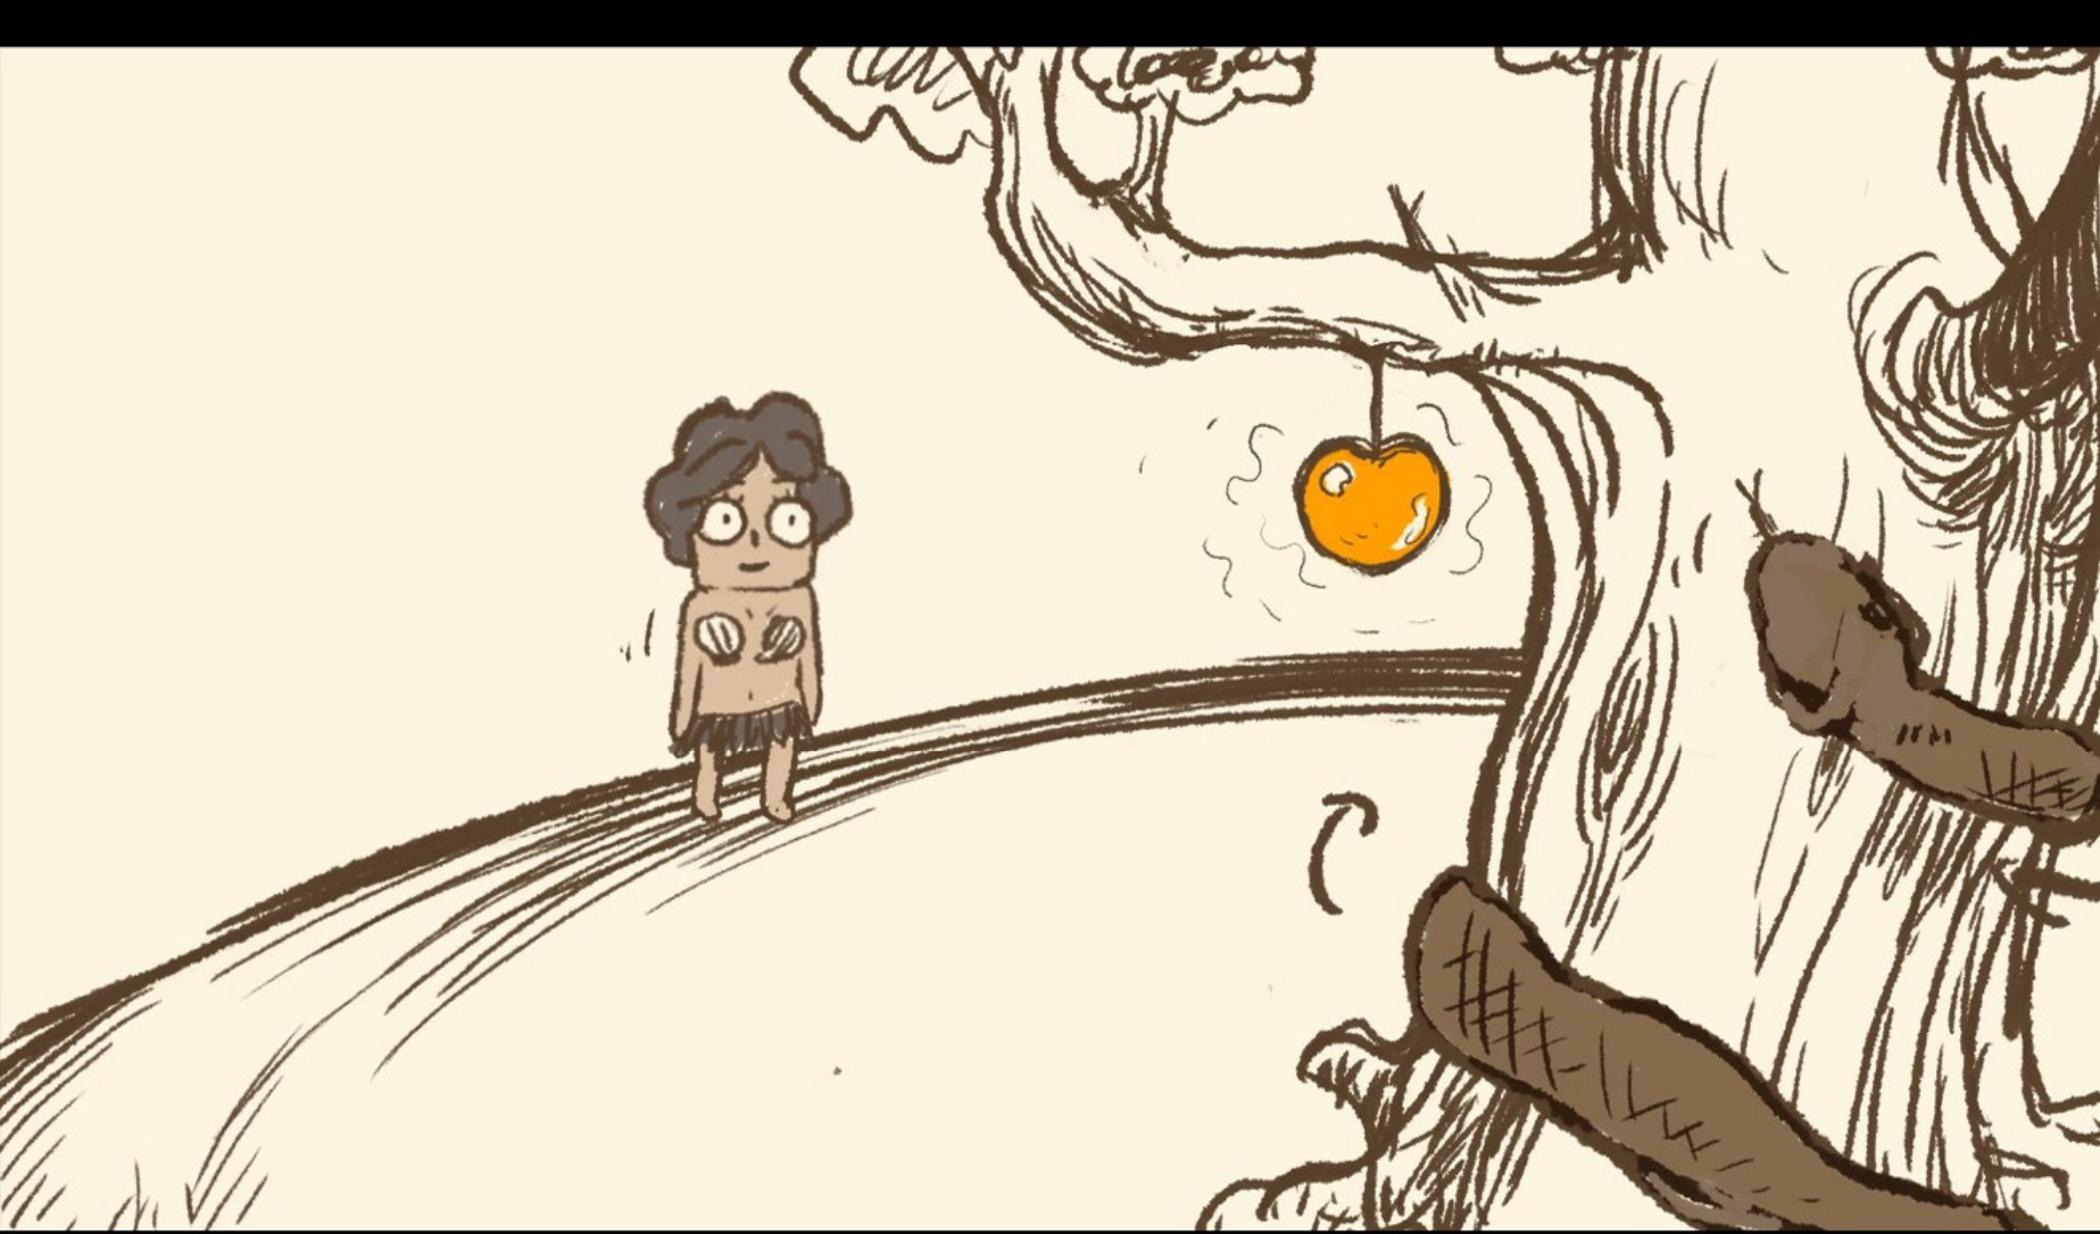

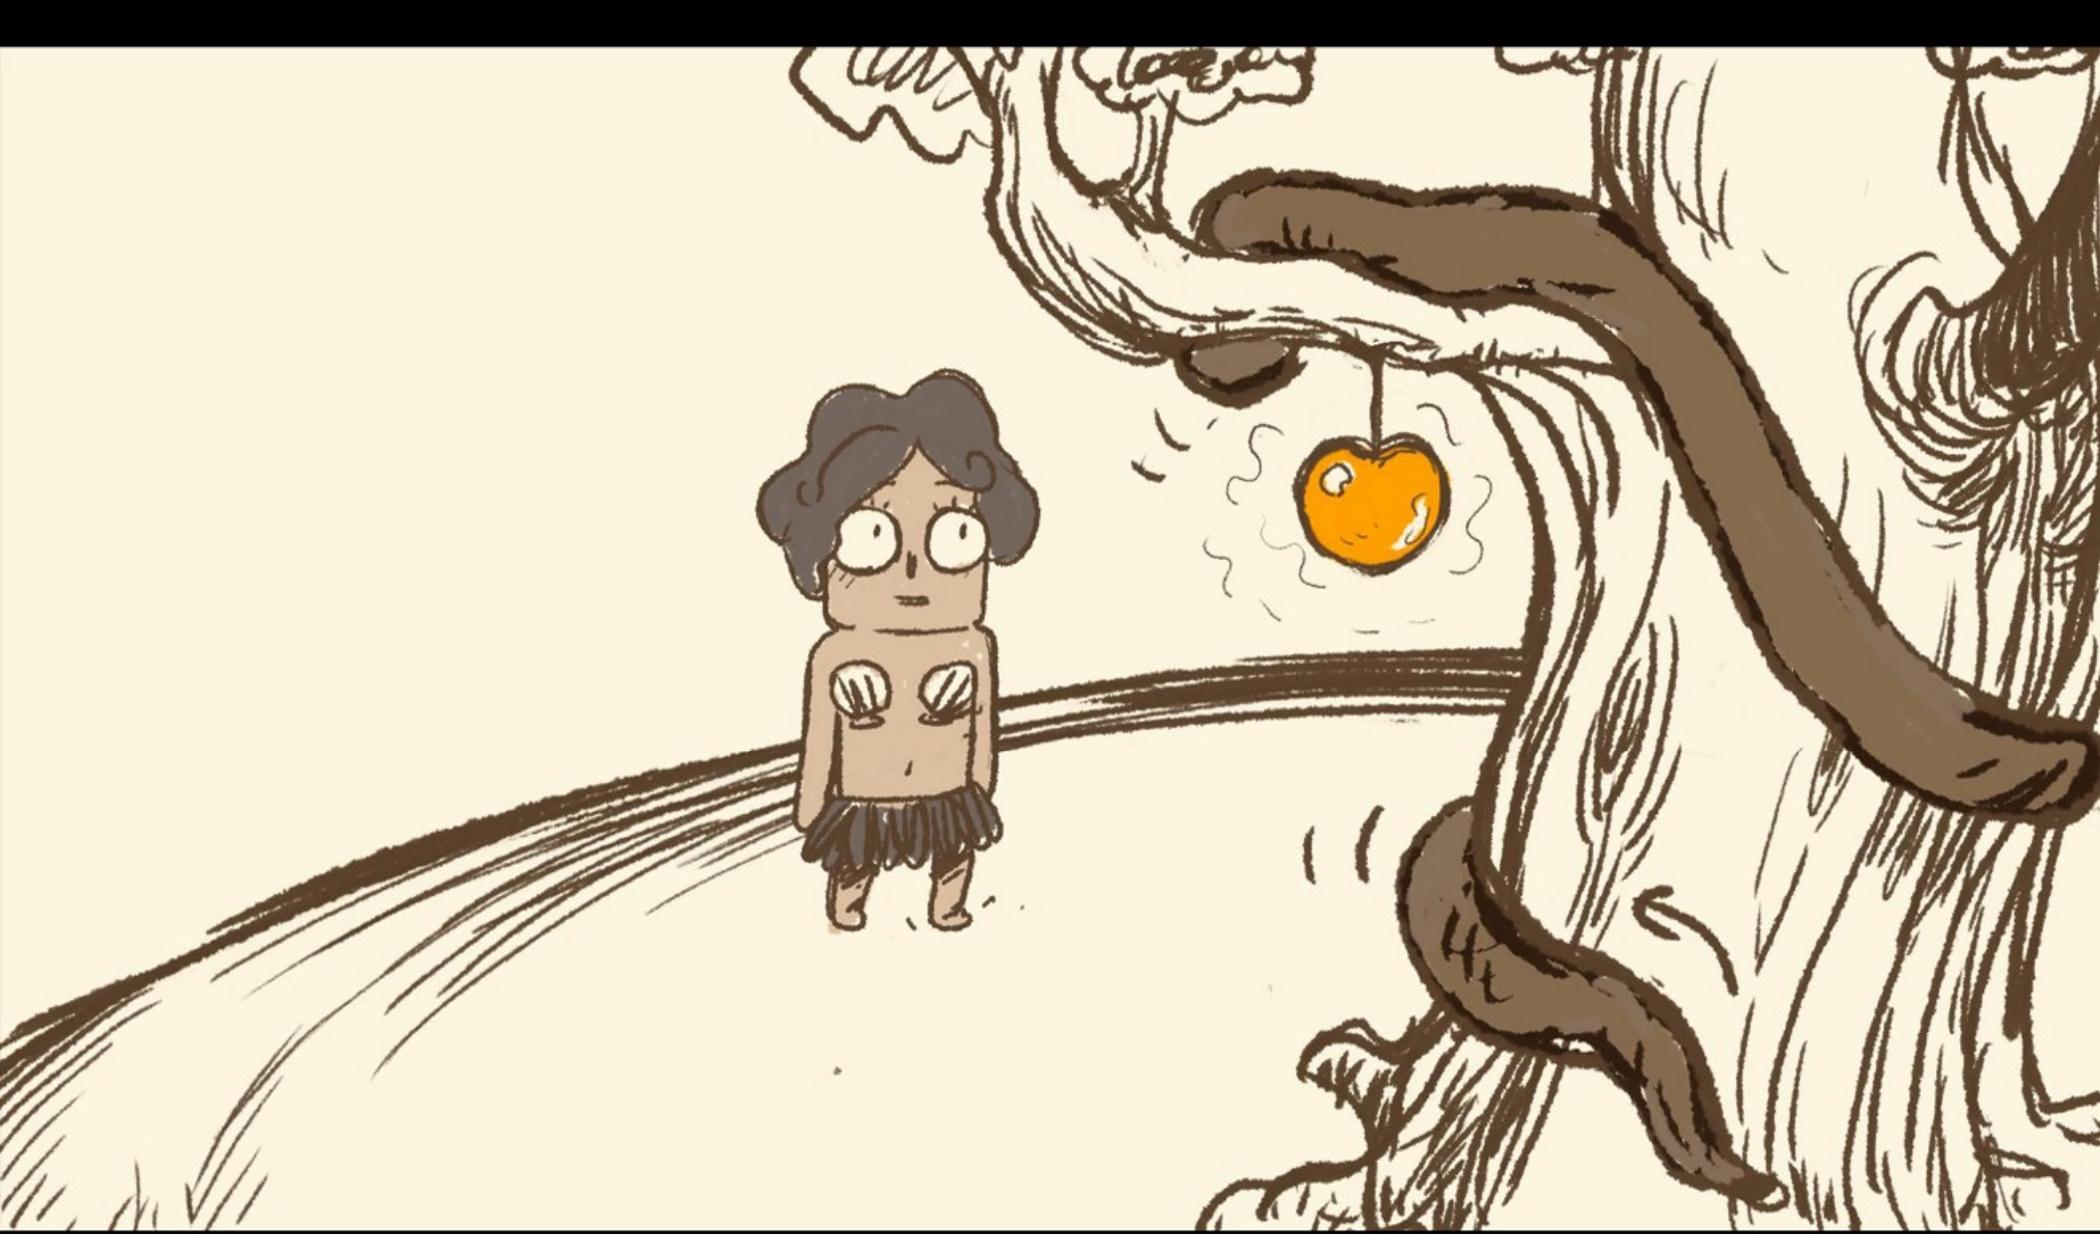

Keep walking to the tree

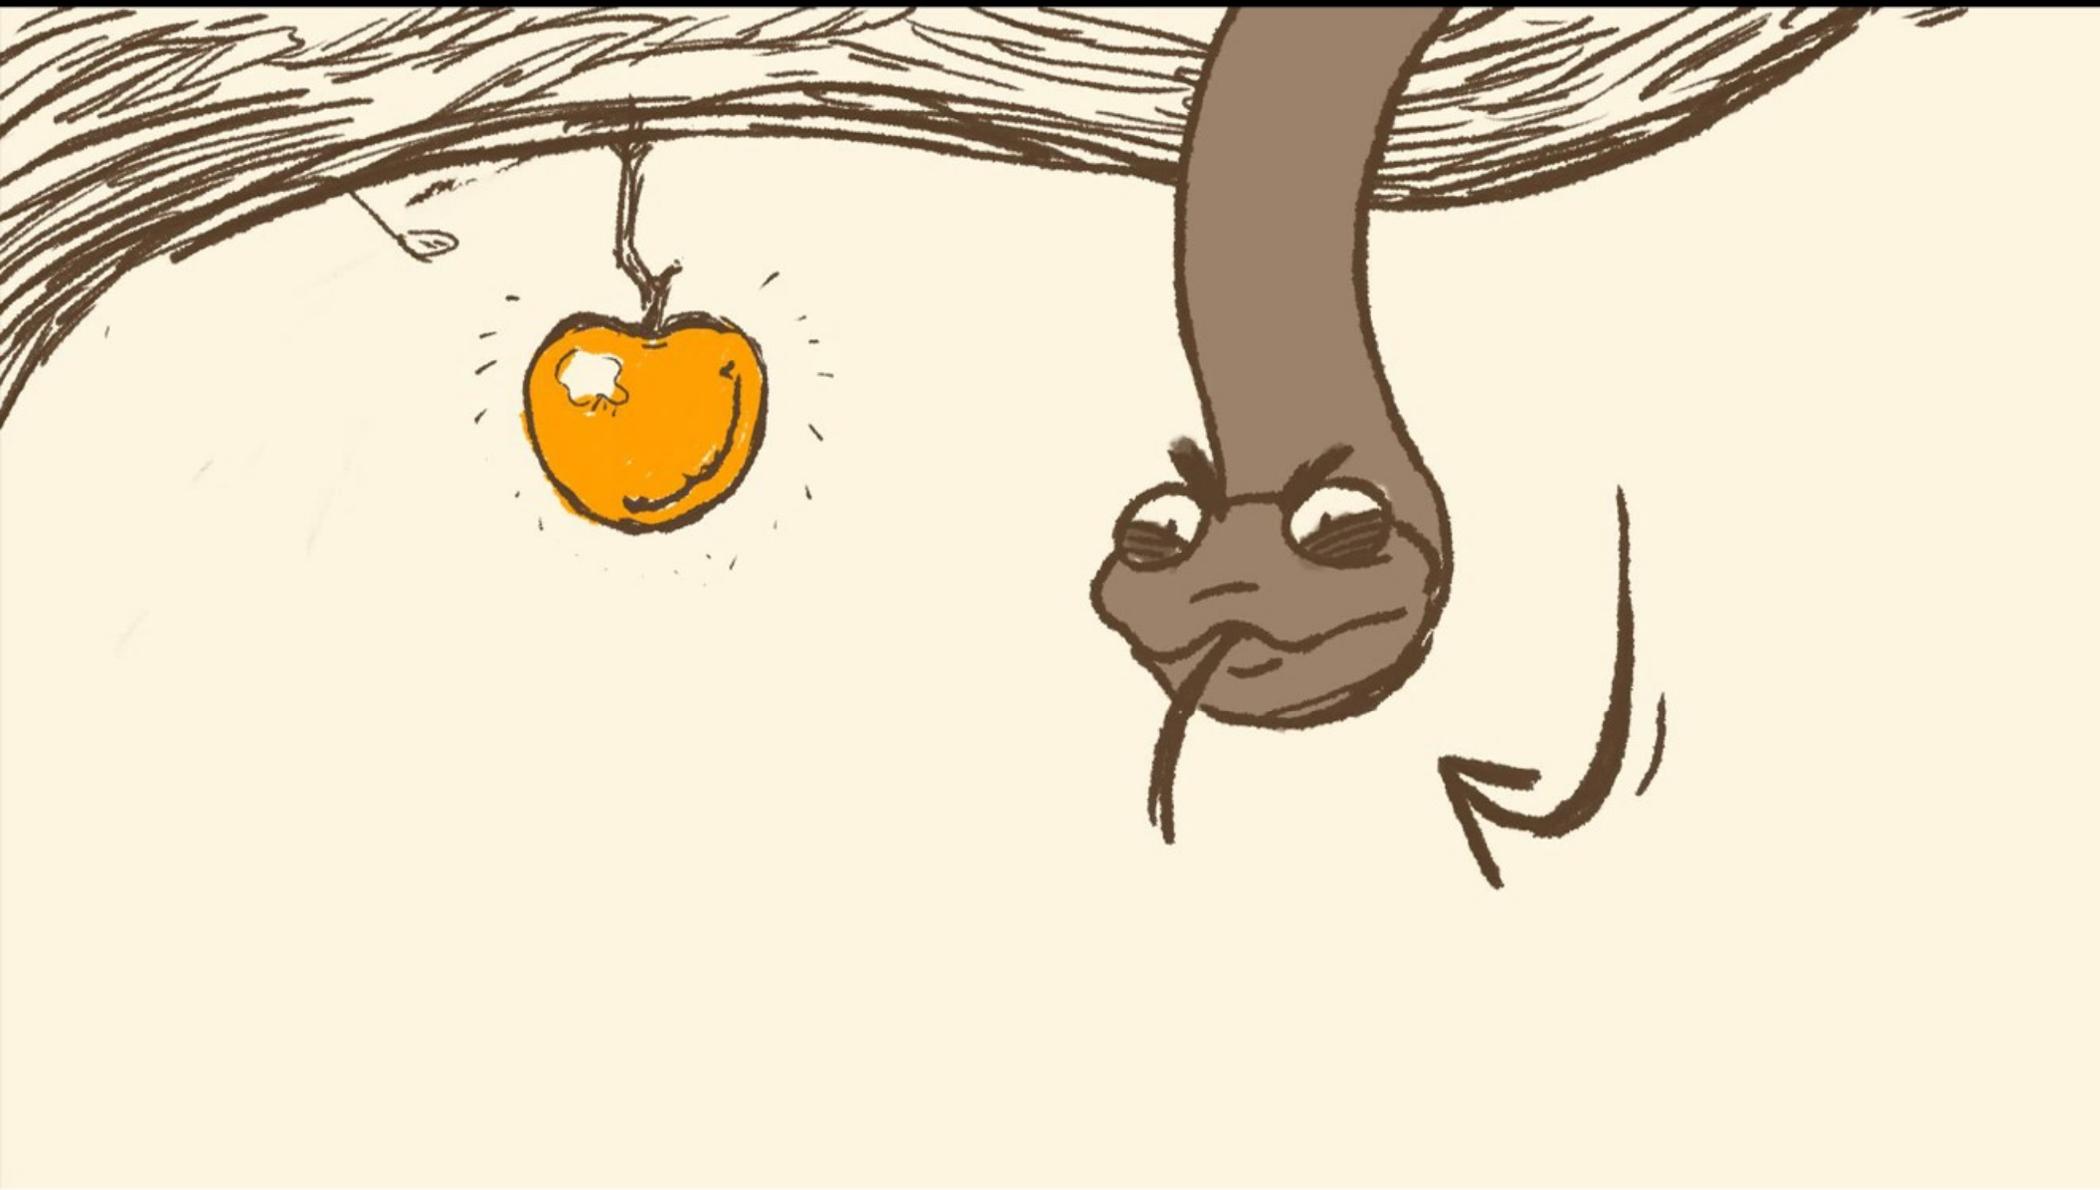

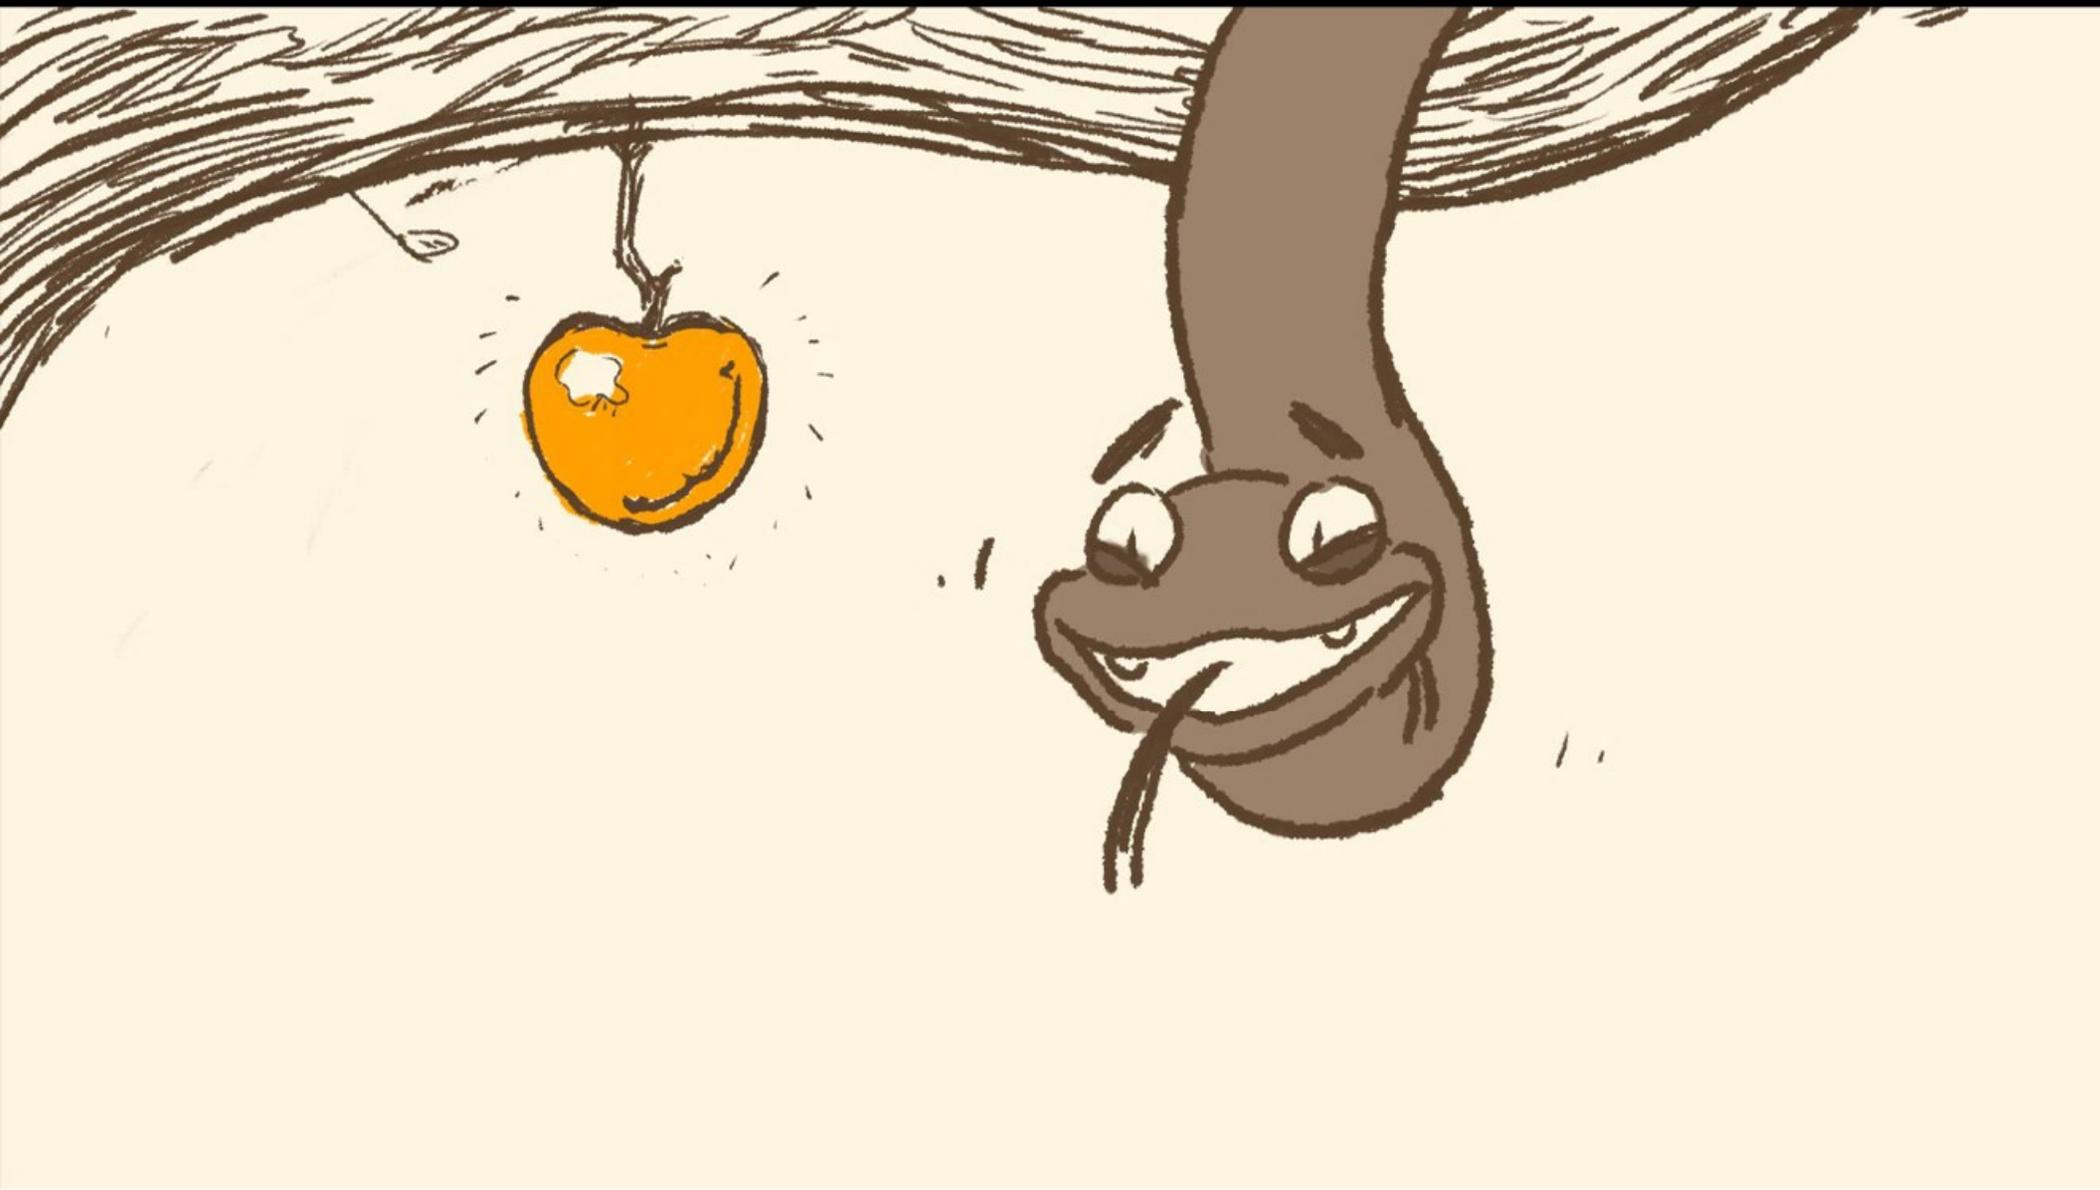

The devil serpent slowly crawls its way up to the tree.

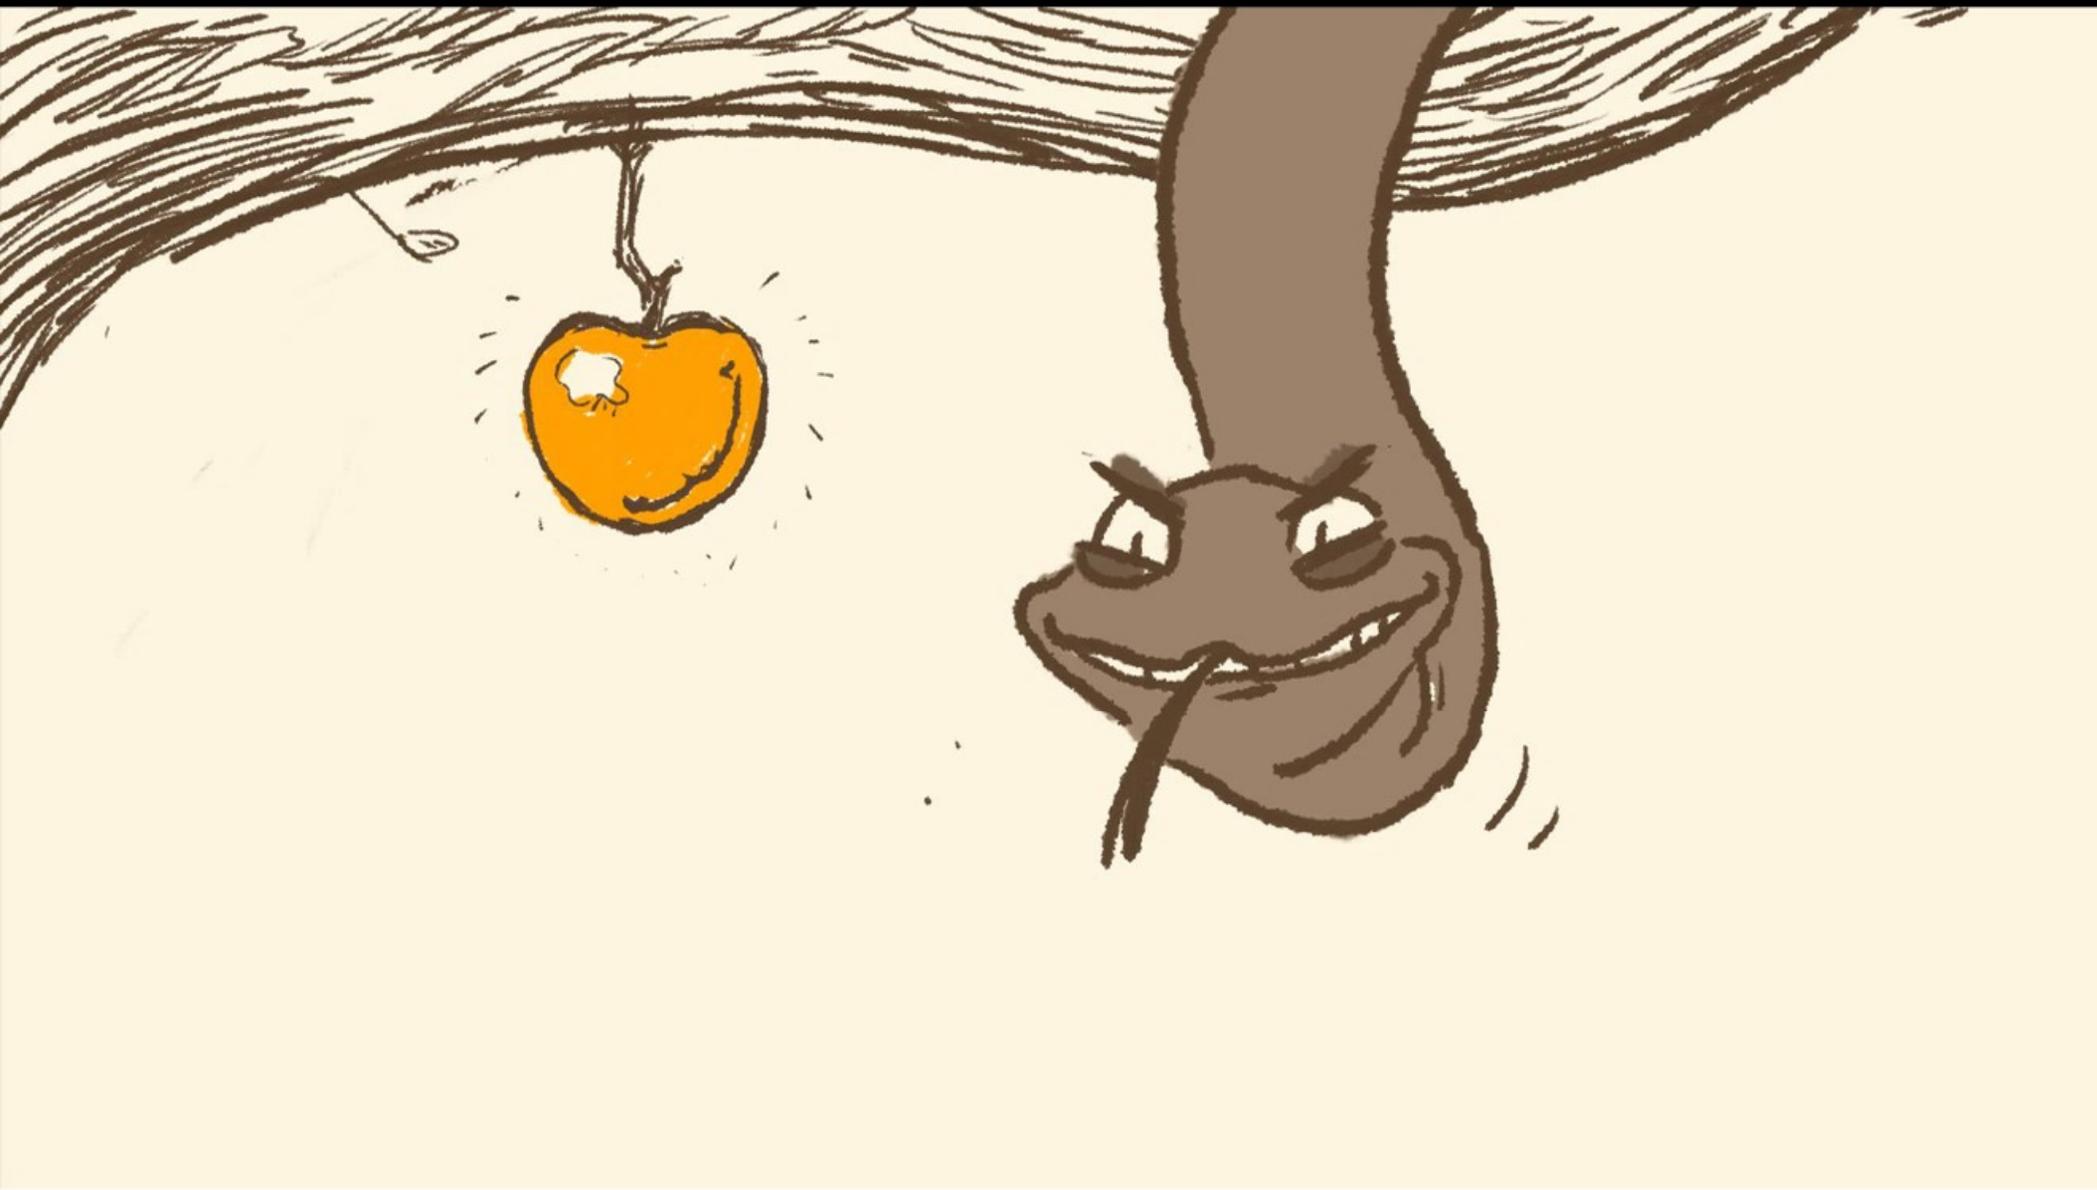

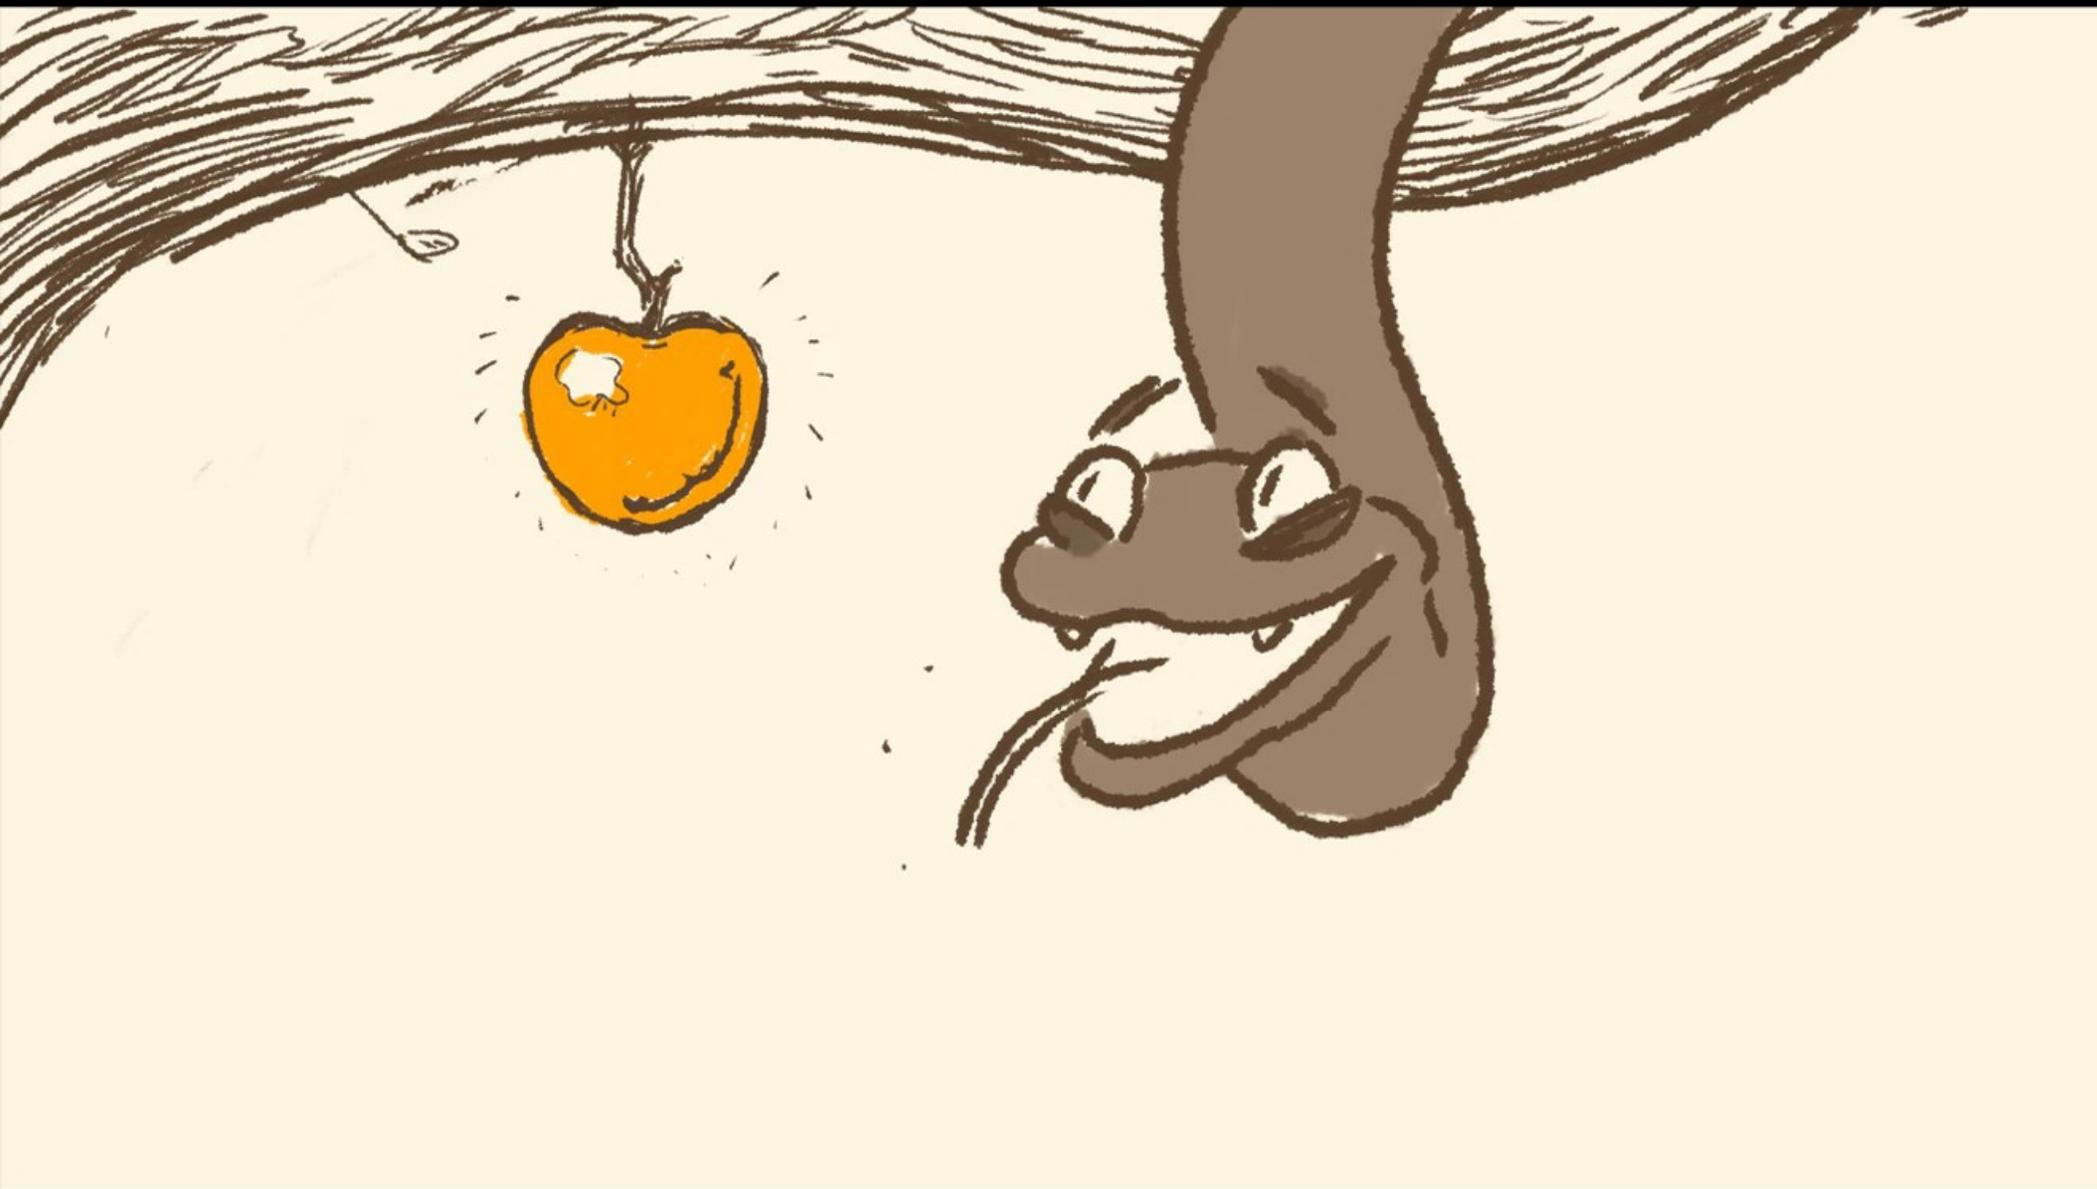

*The serpent drops down his head from the tree
and hisses towards Eve*

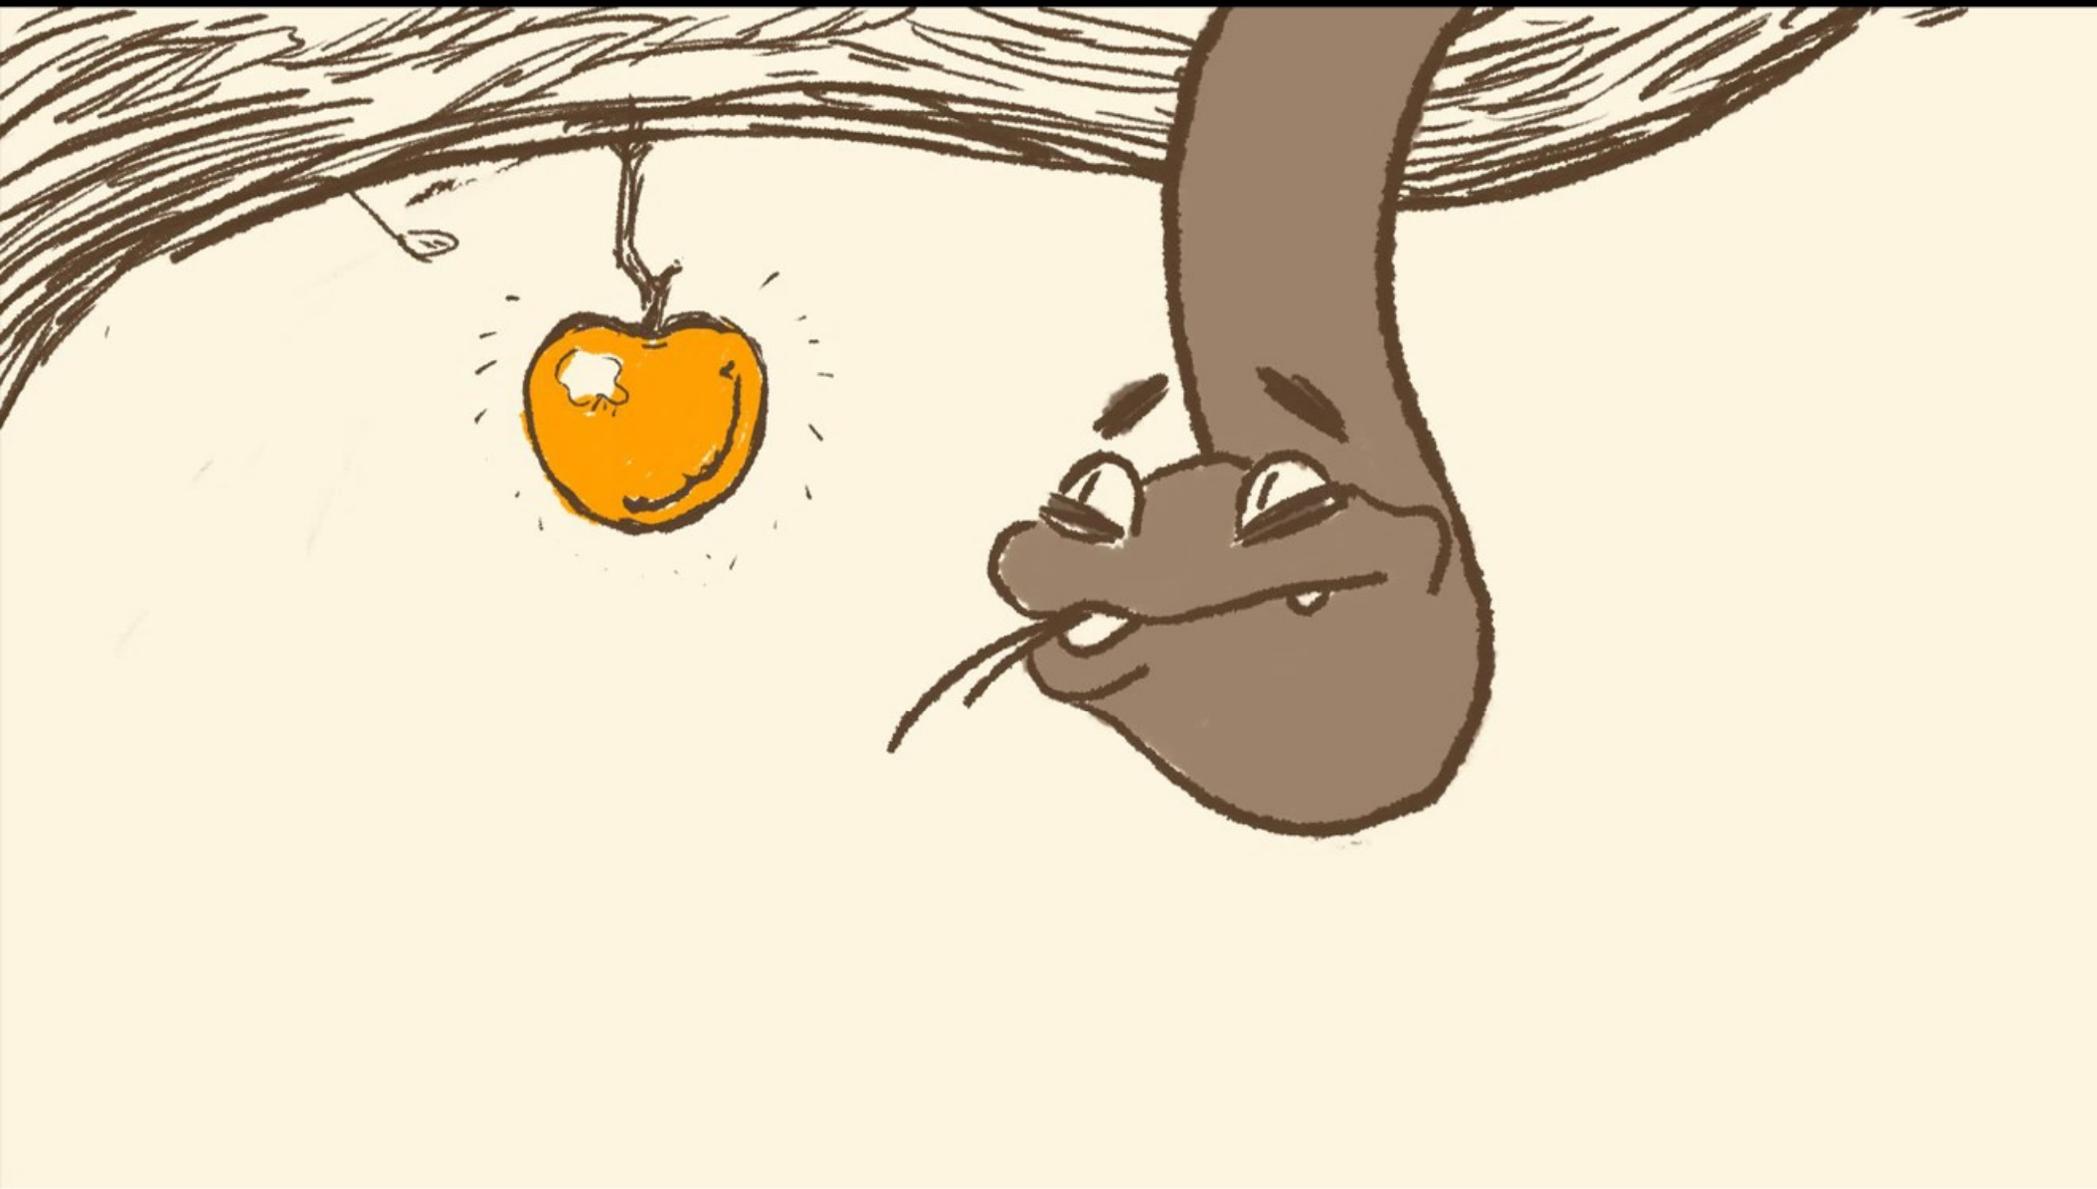

Serpent: "Hey~ Innocent little girl!"

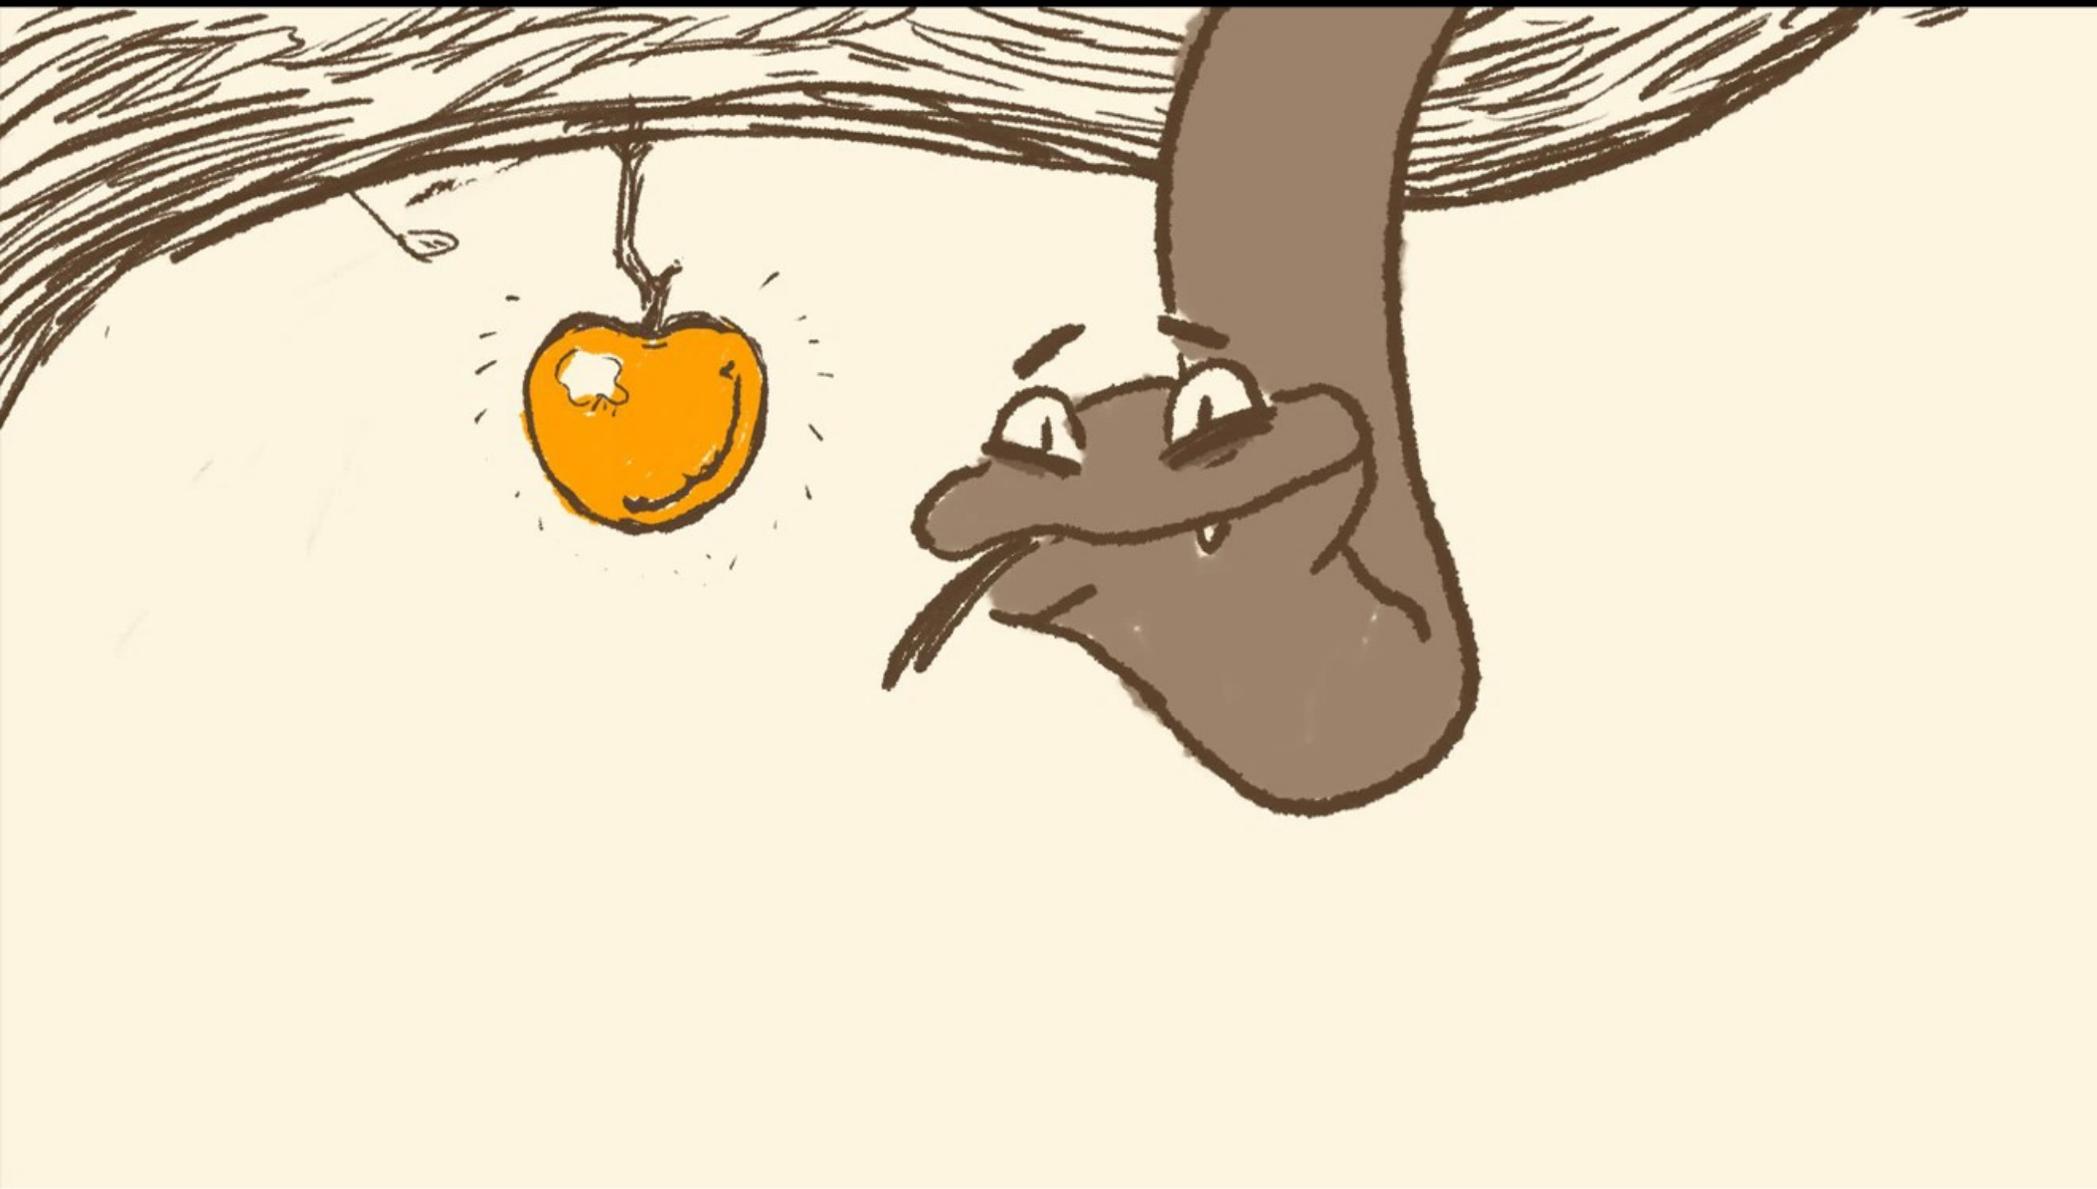

*Hisses sound **

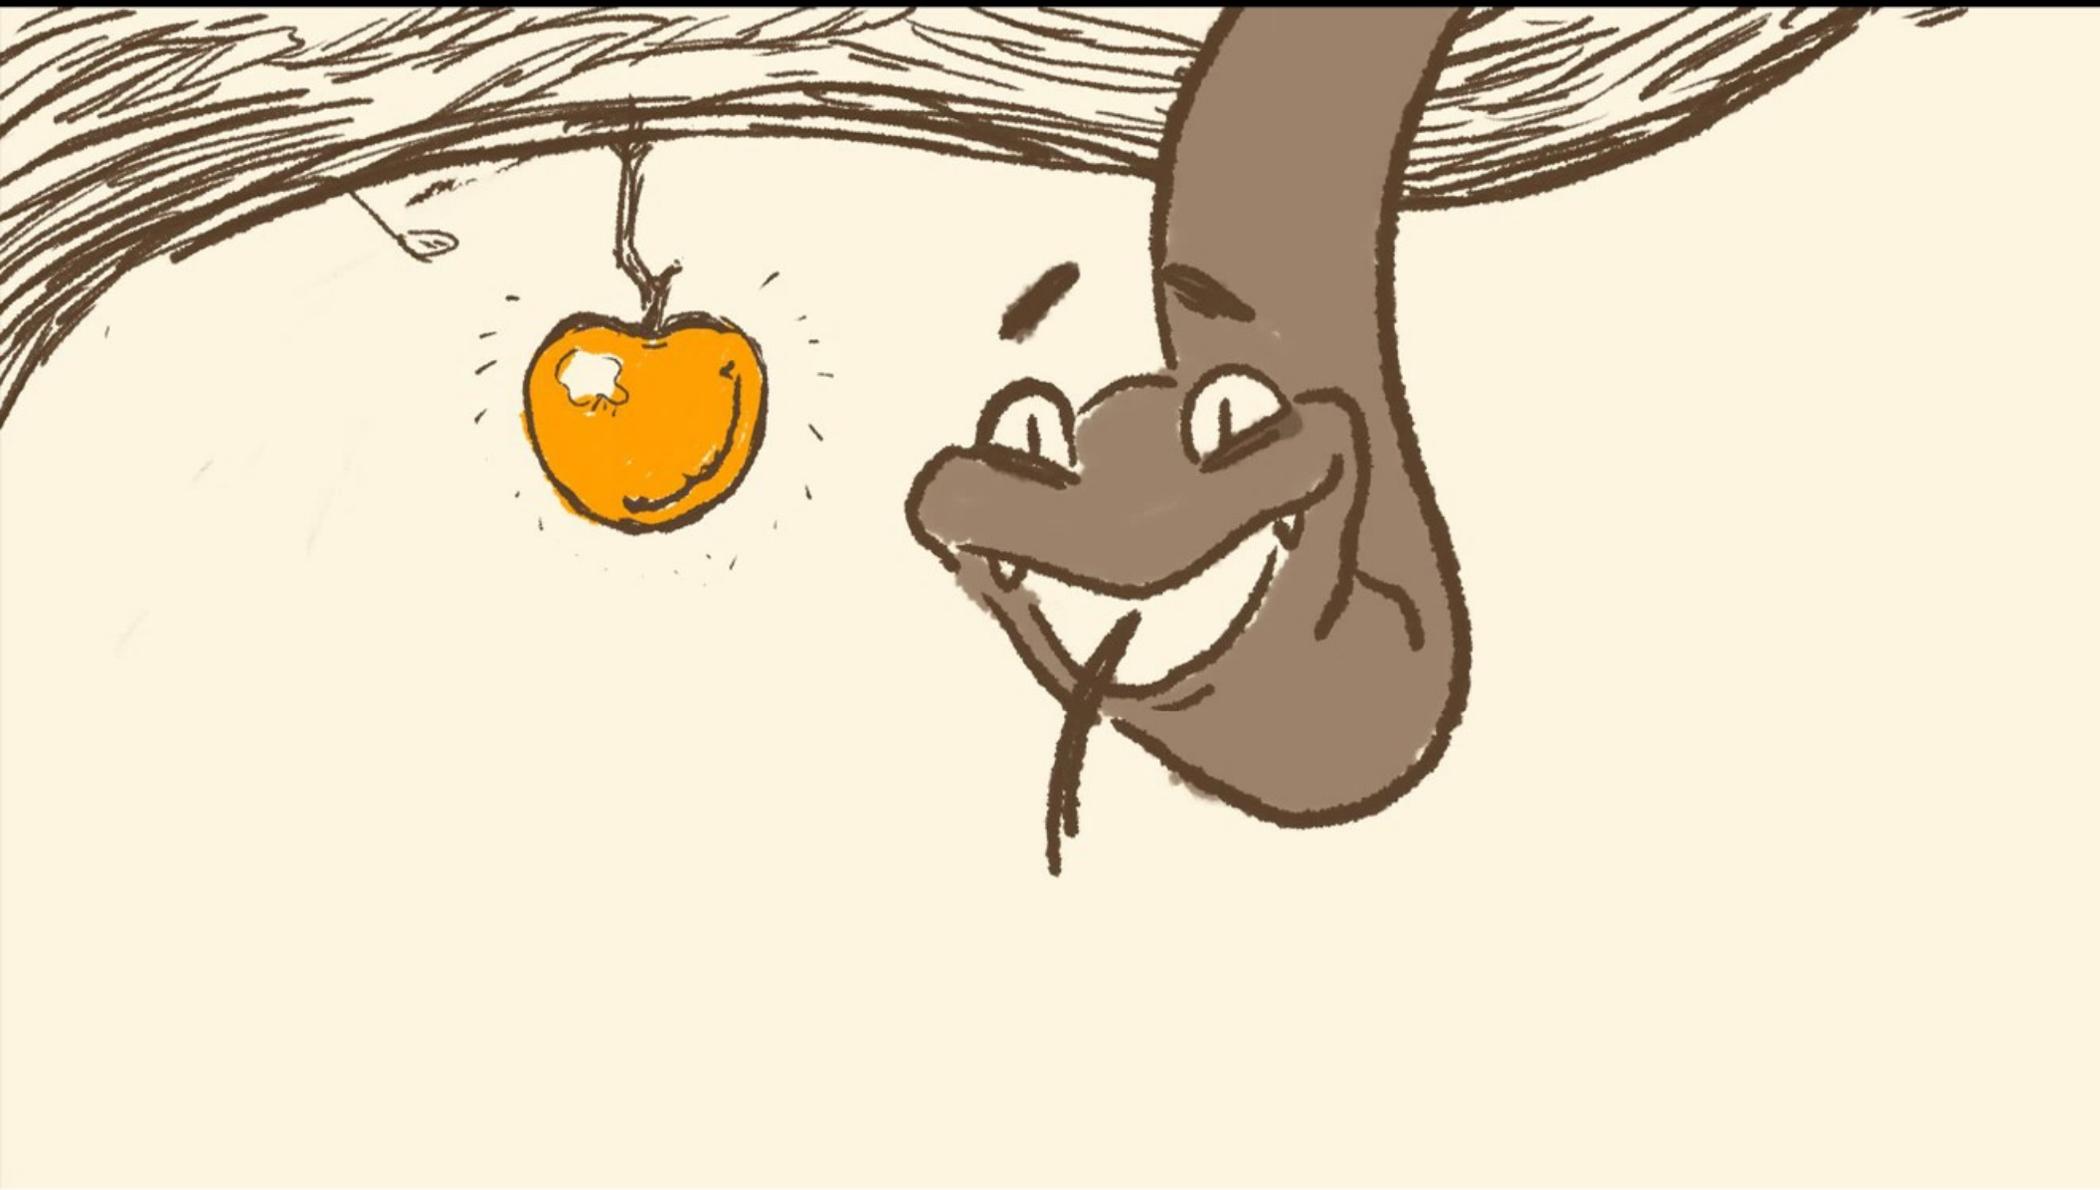

"This is the wisdom fruit-"

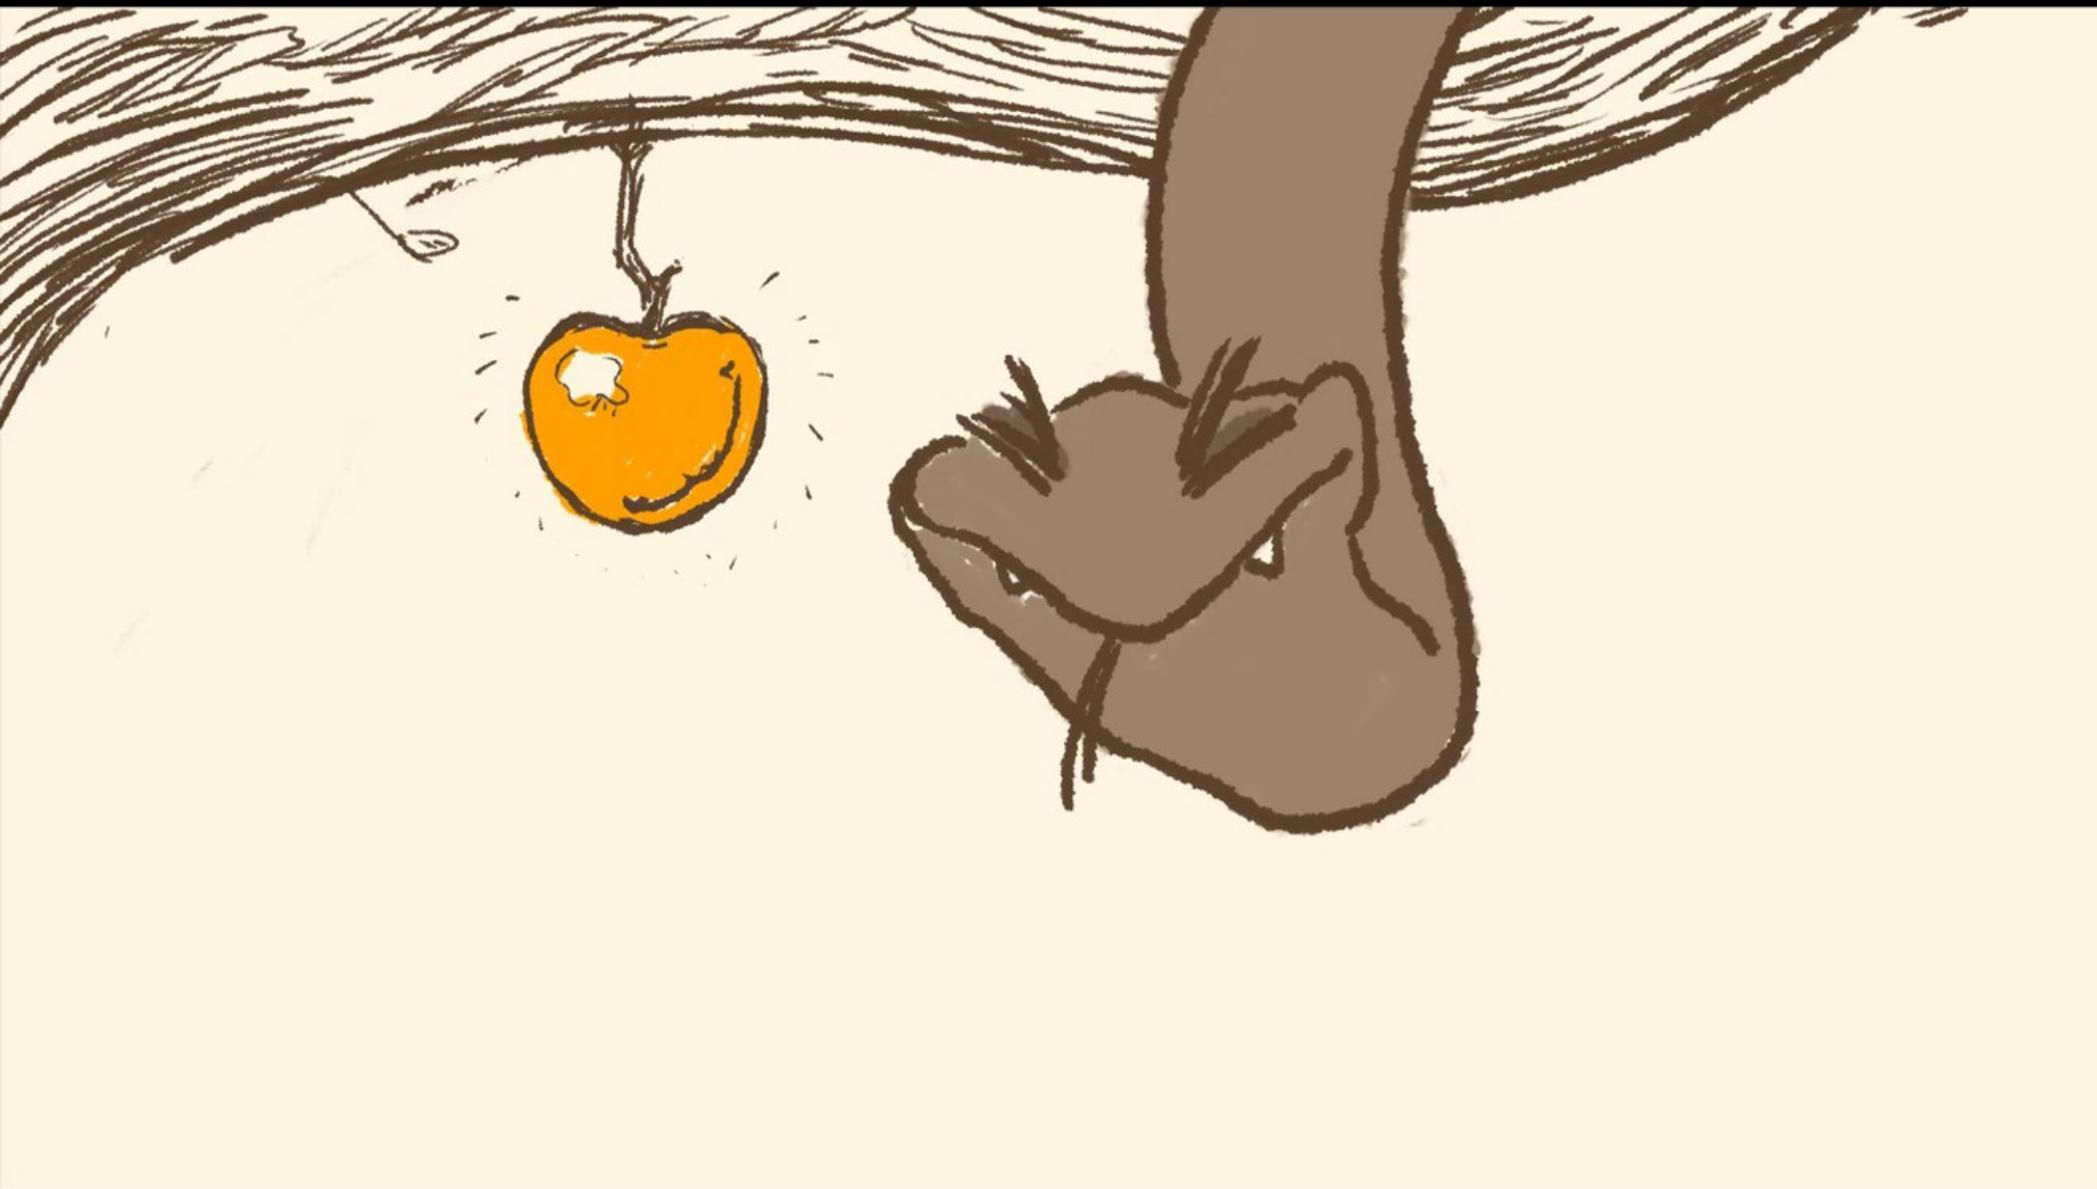

“- of the wisdom tree.”

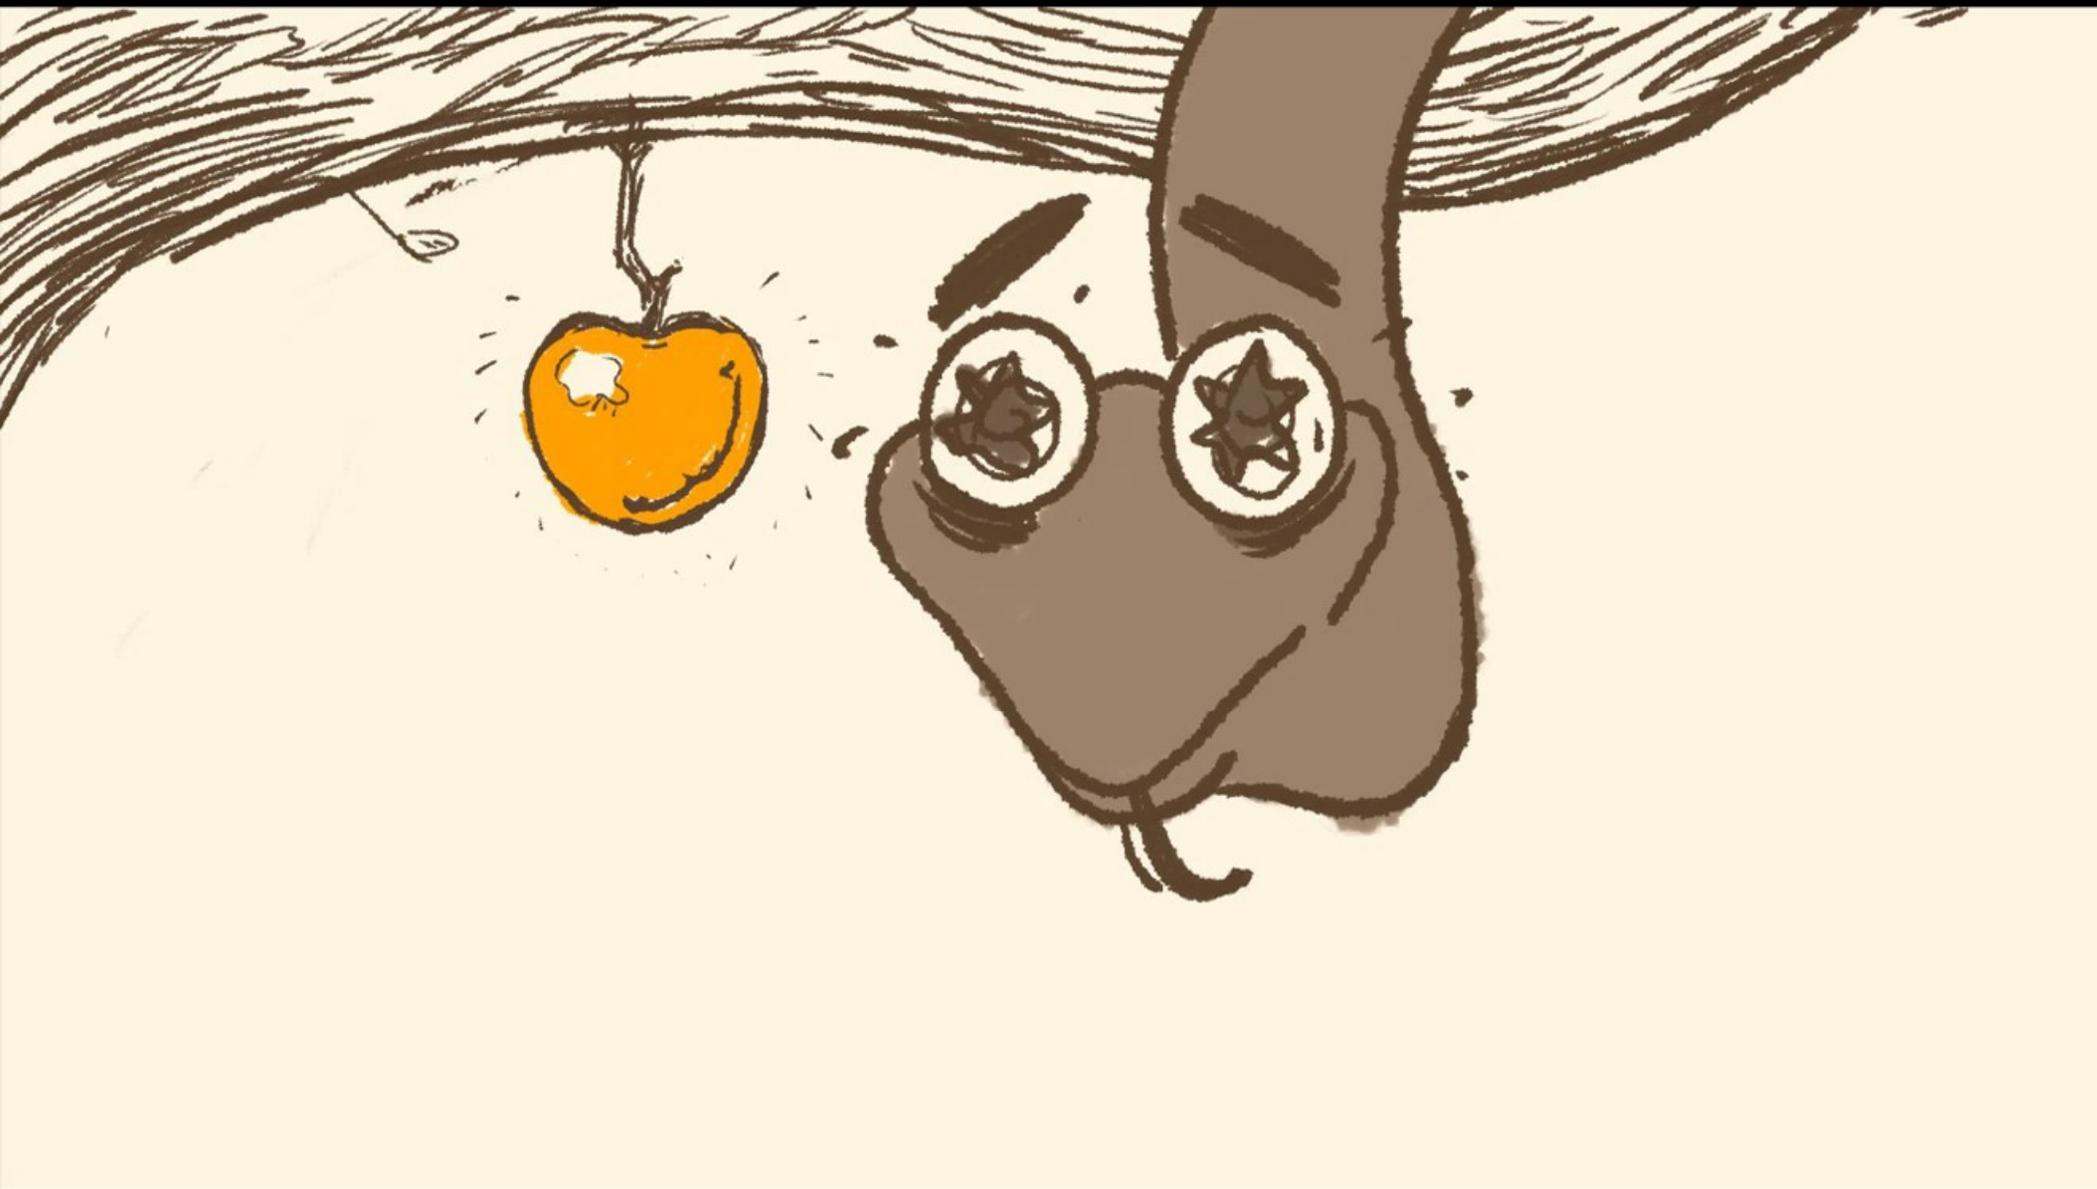

"Eat this fruit,-

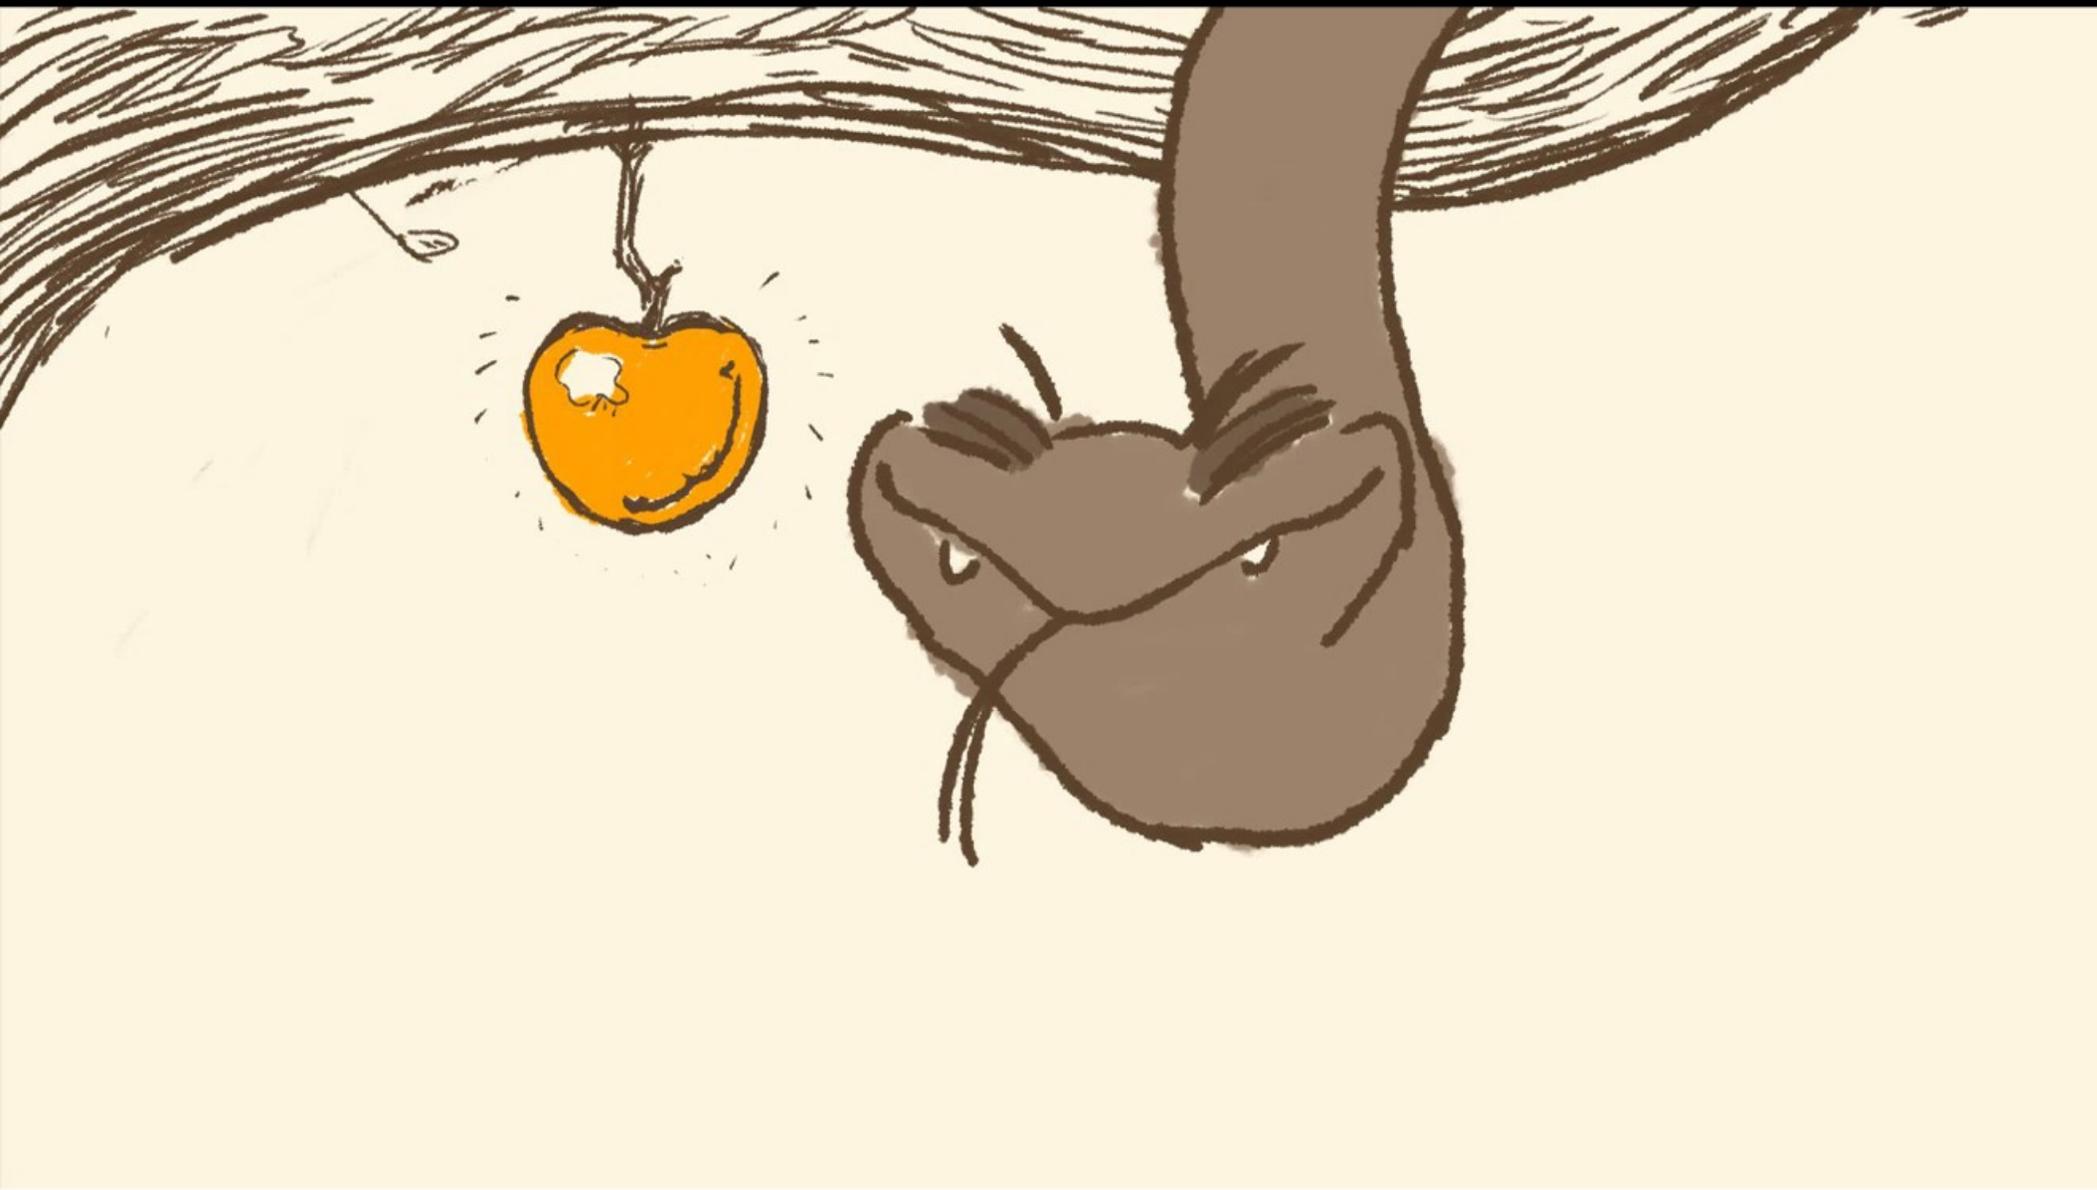

-You will gain wisdom,

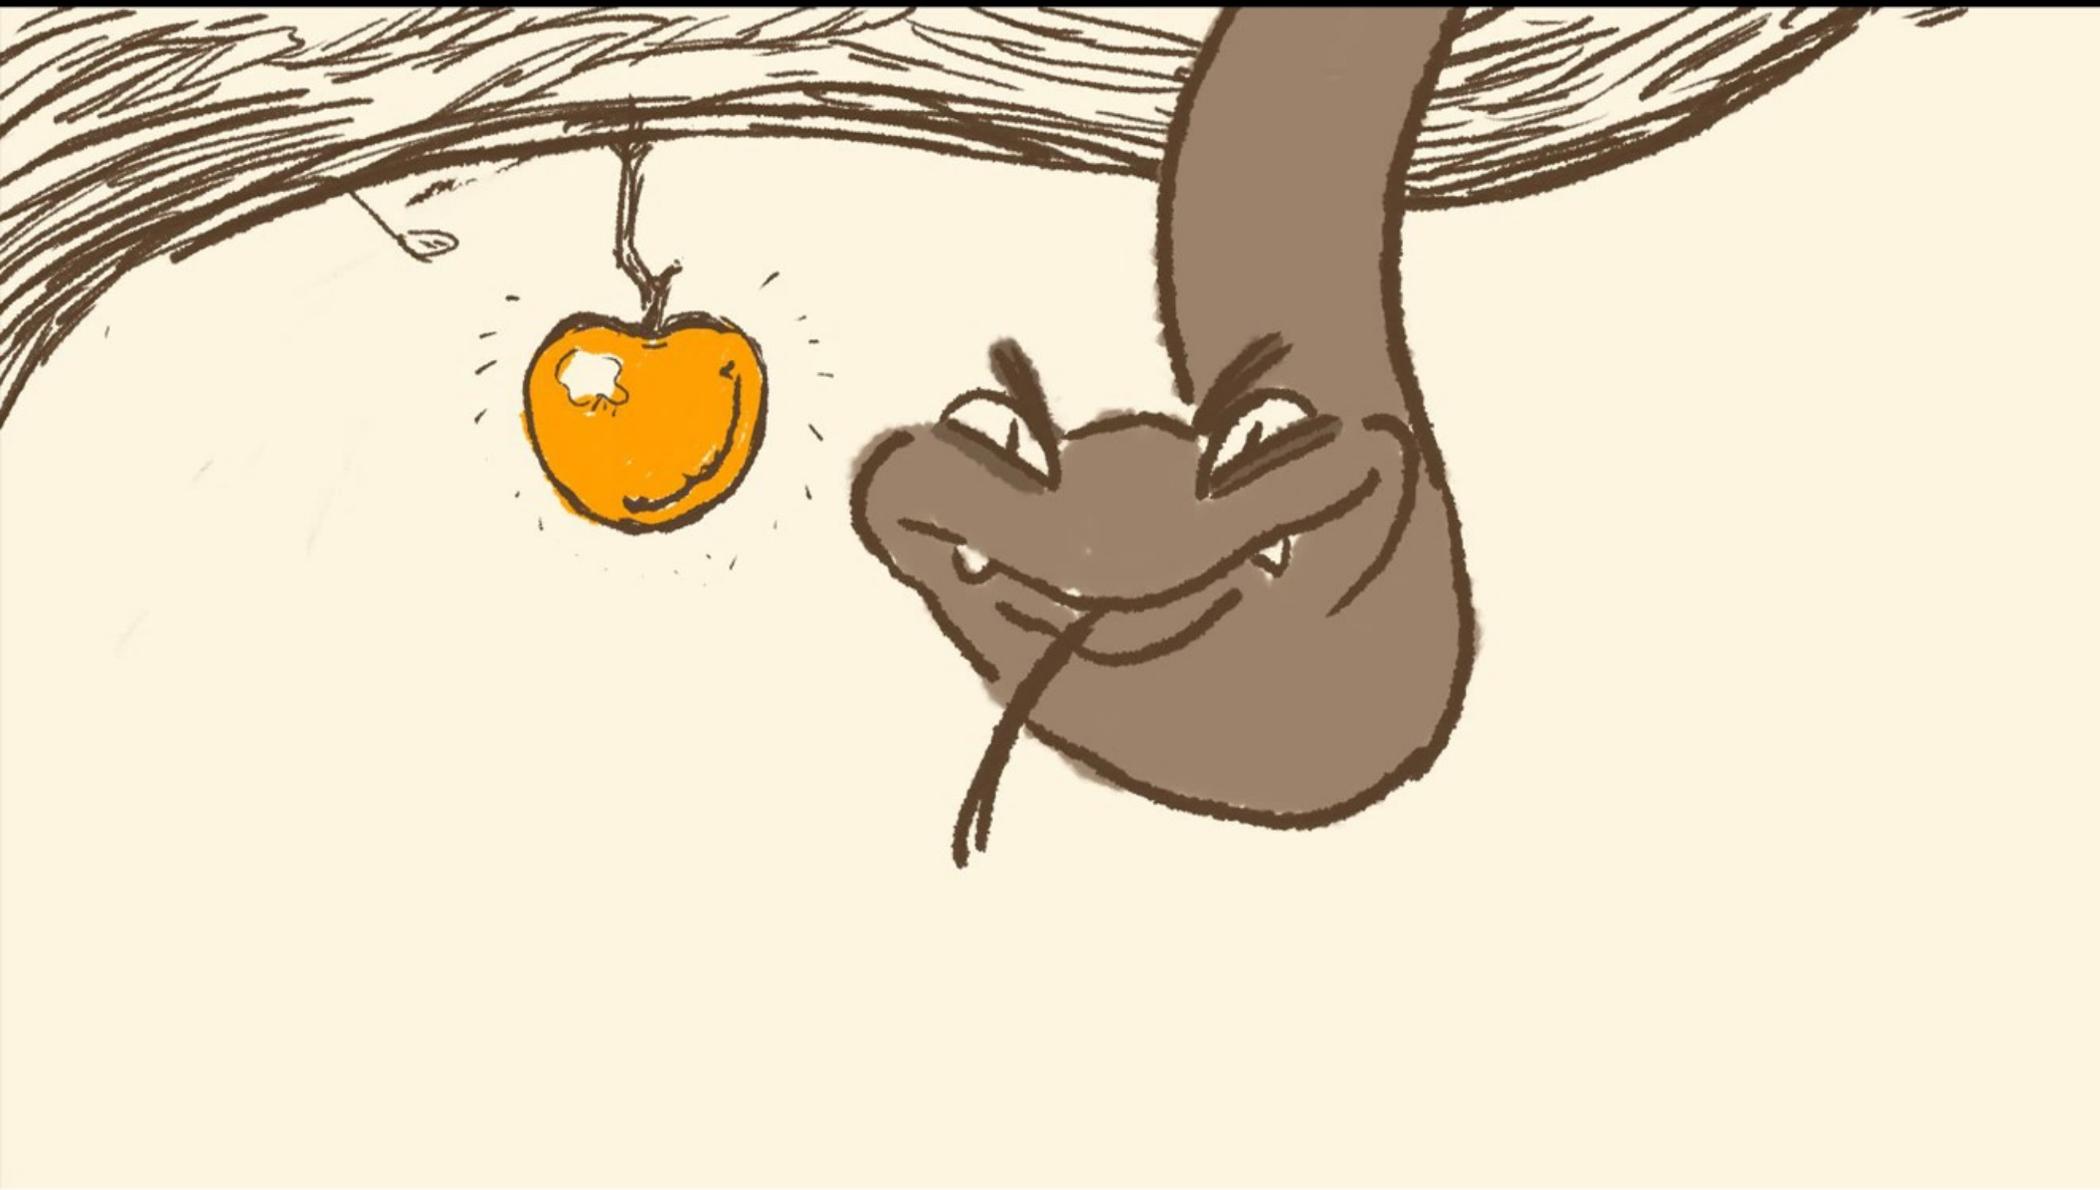

-and your eyes will-

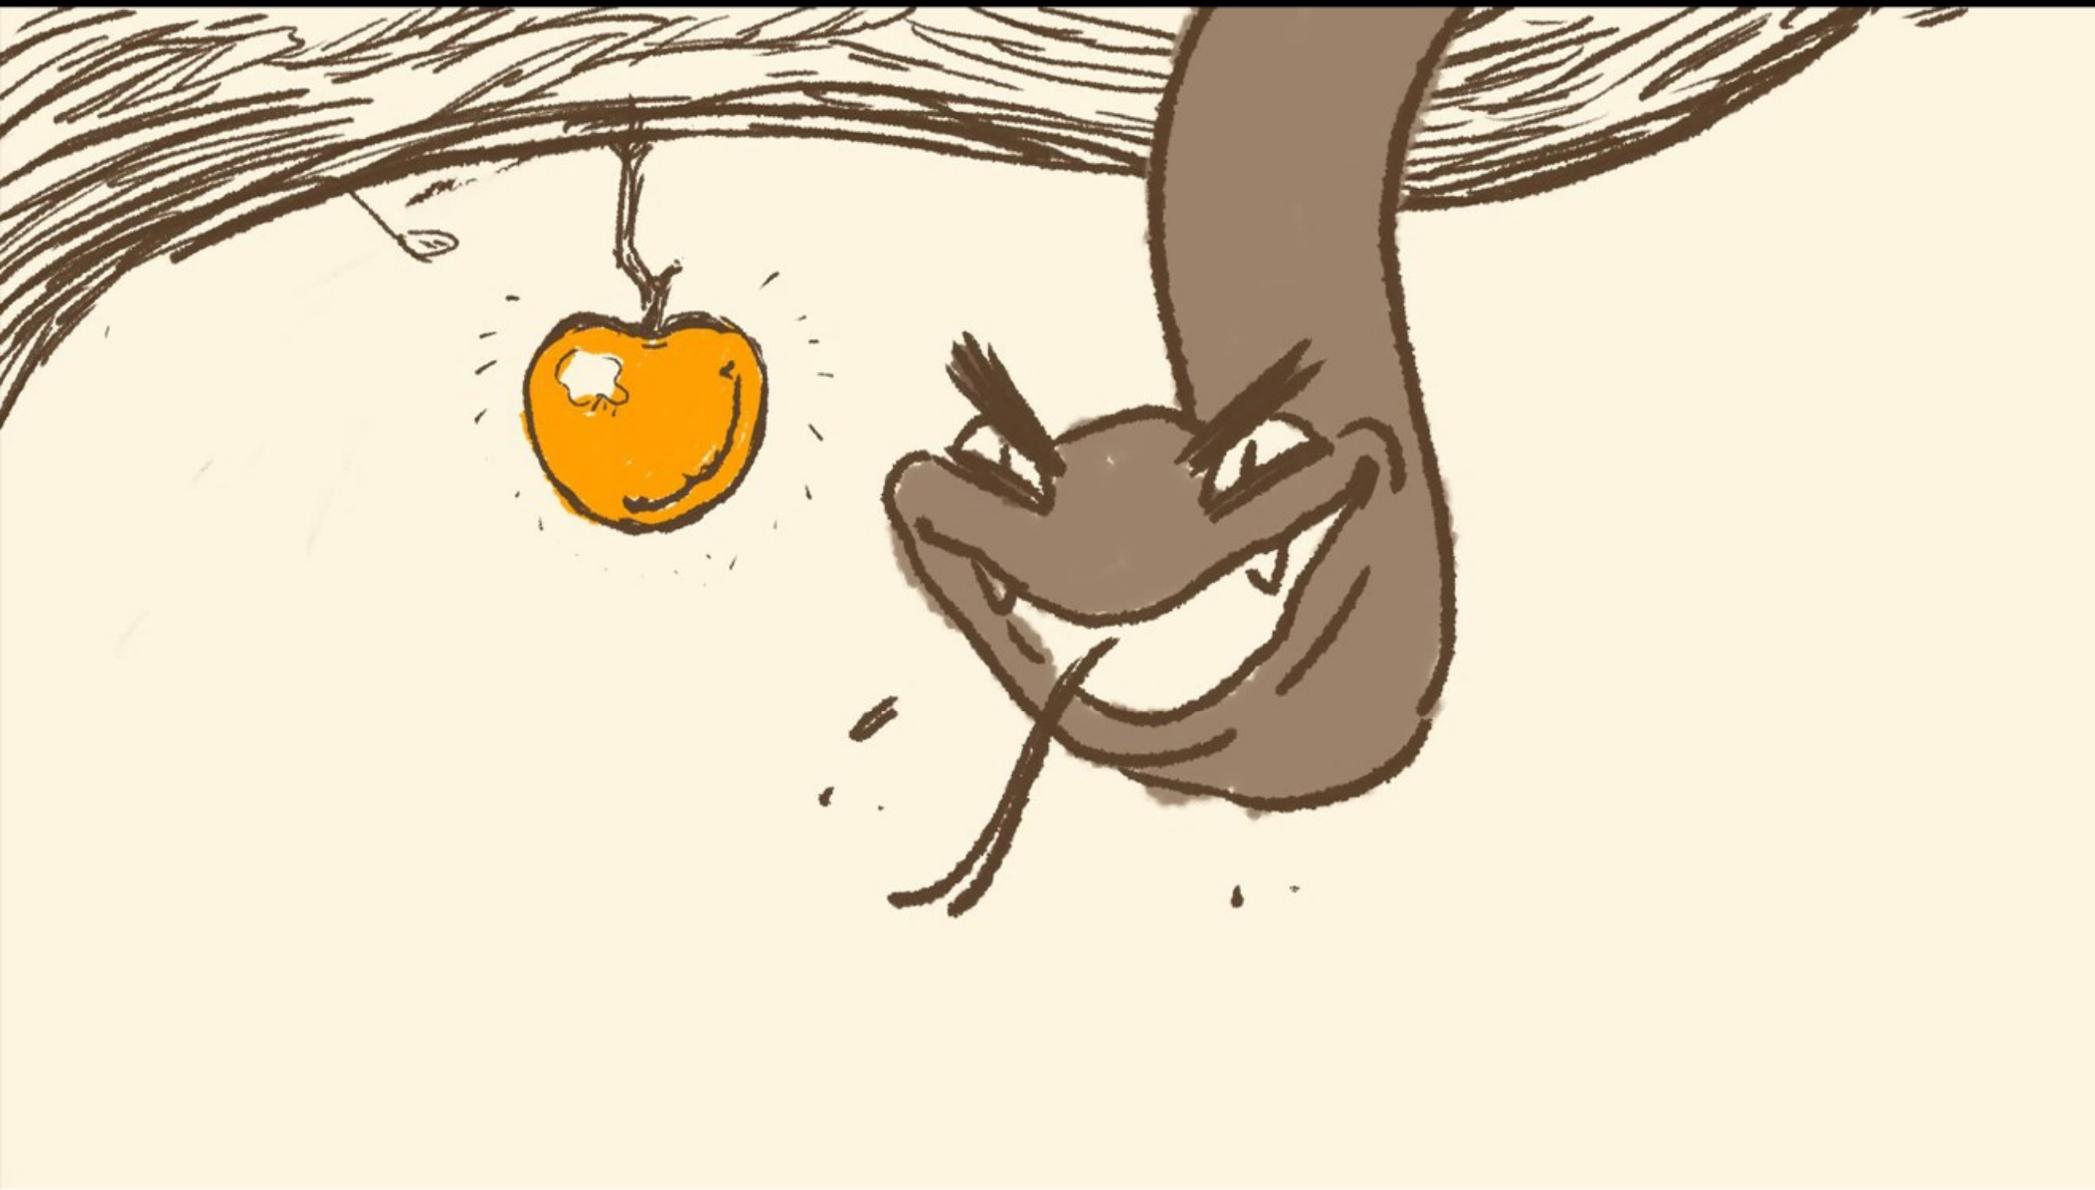

-be bright like stars!-

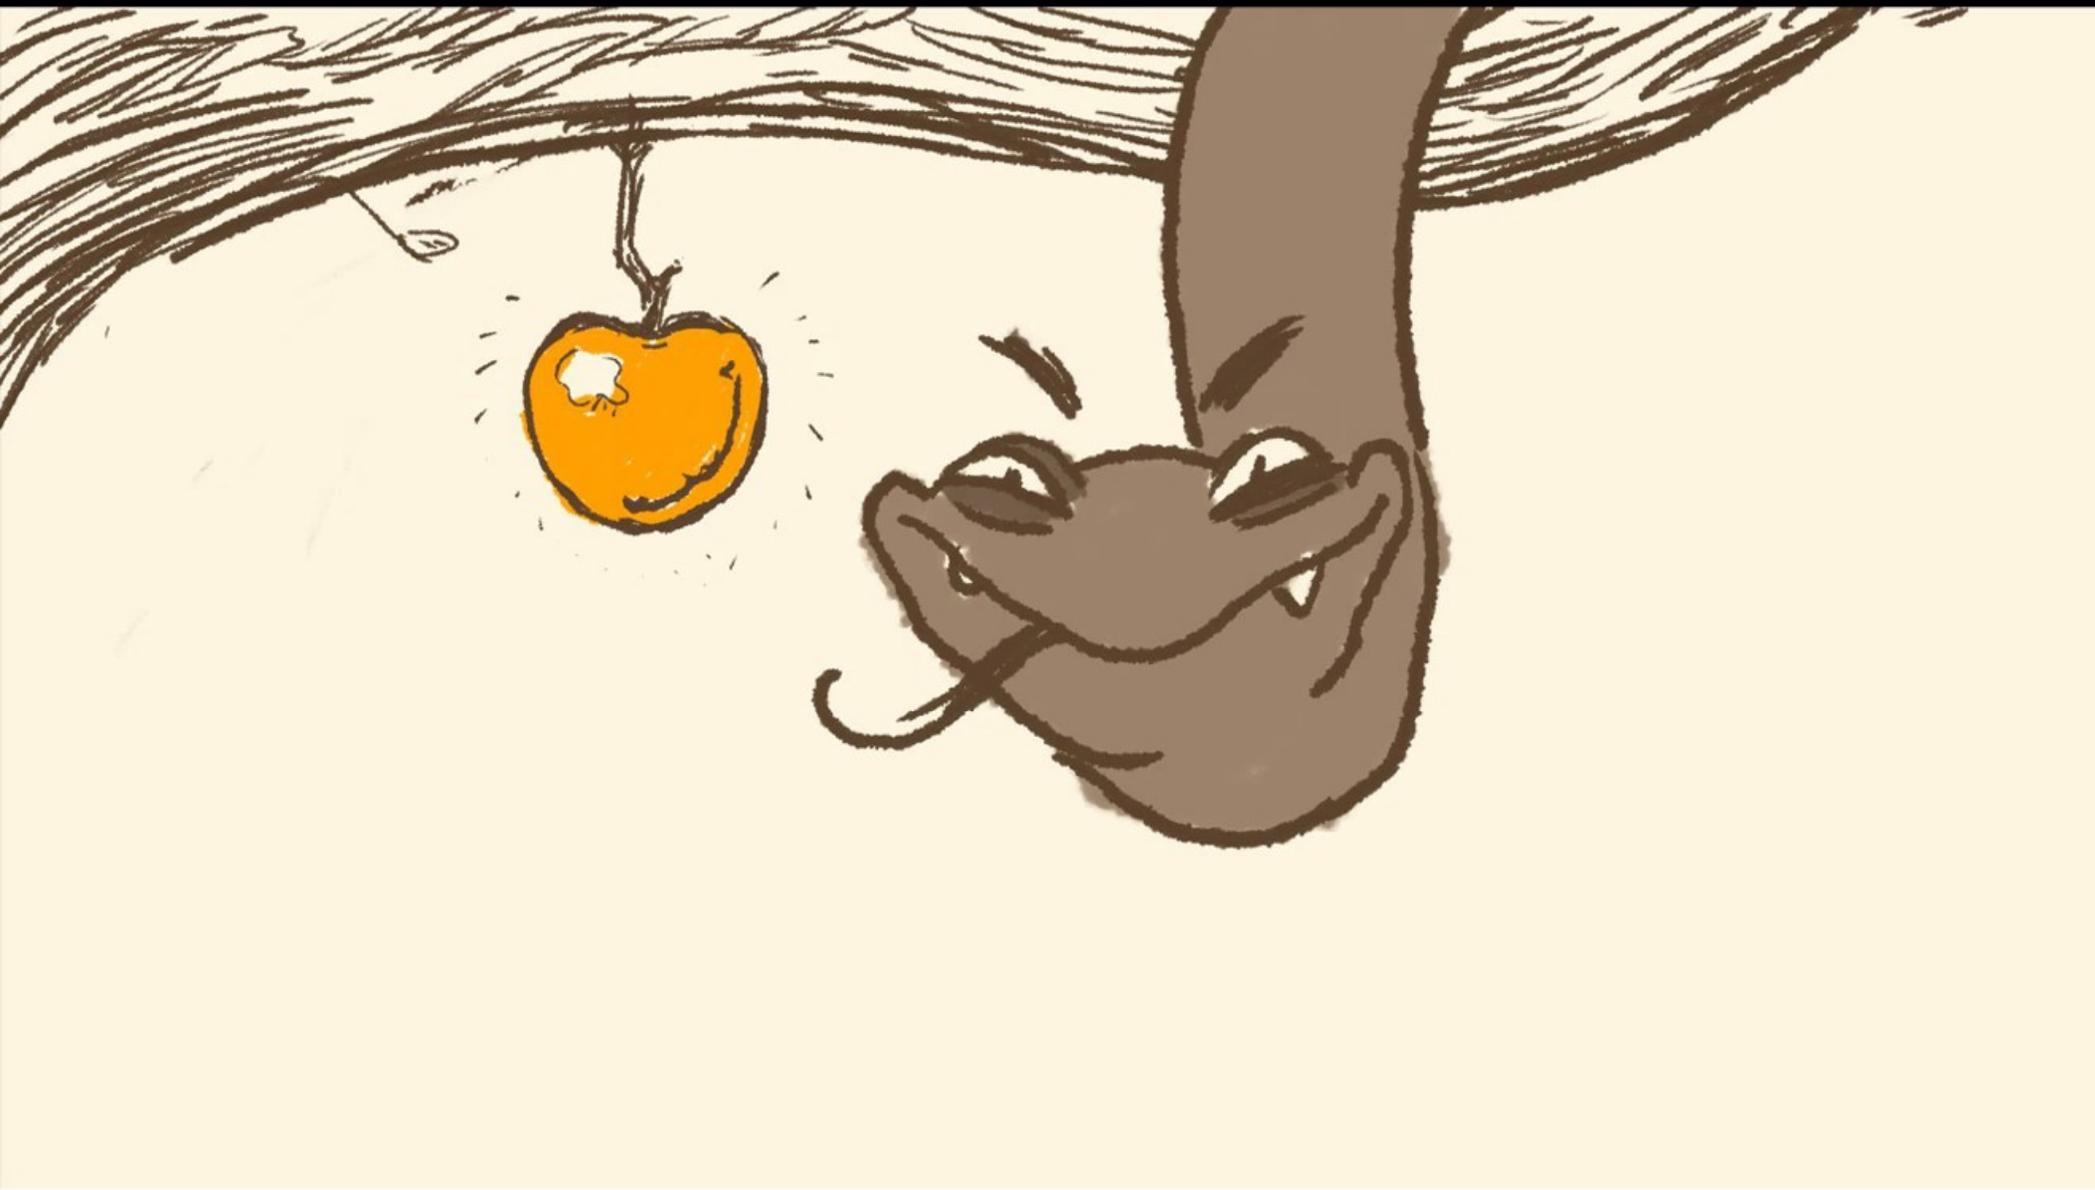

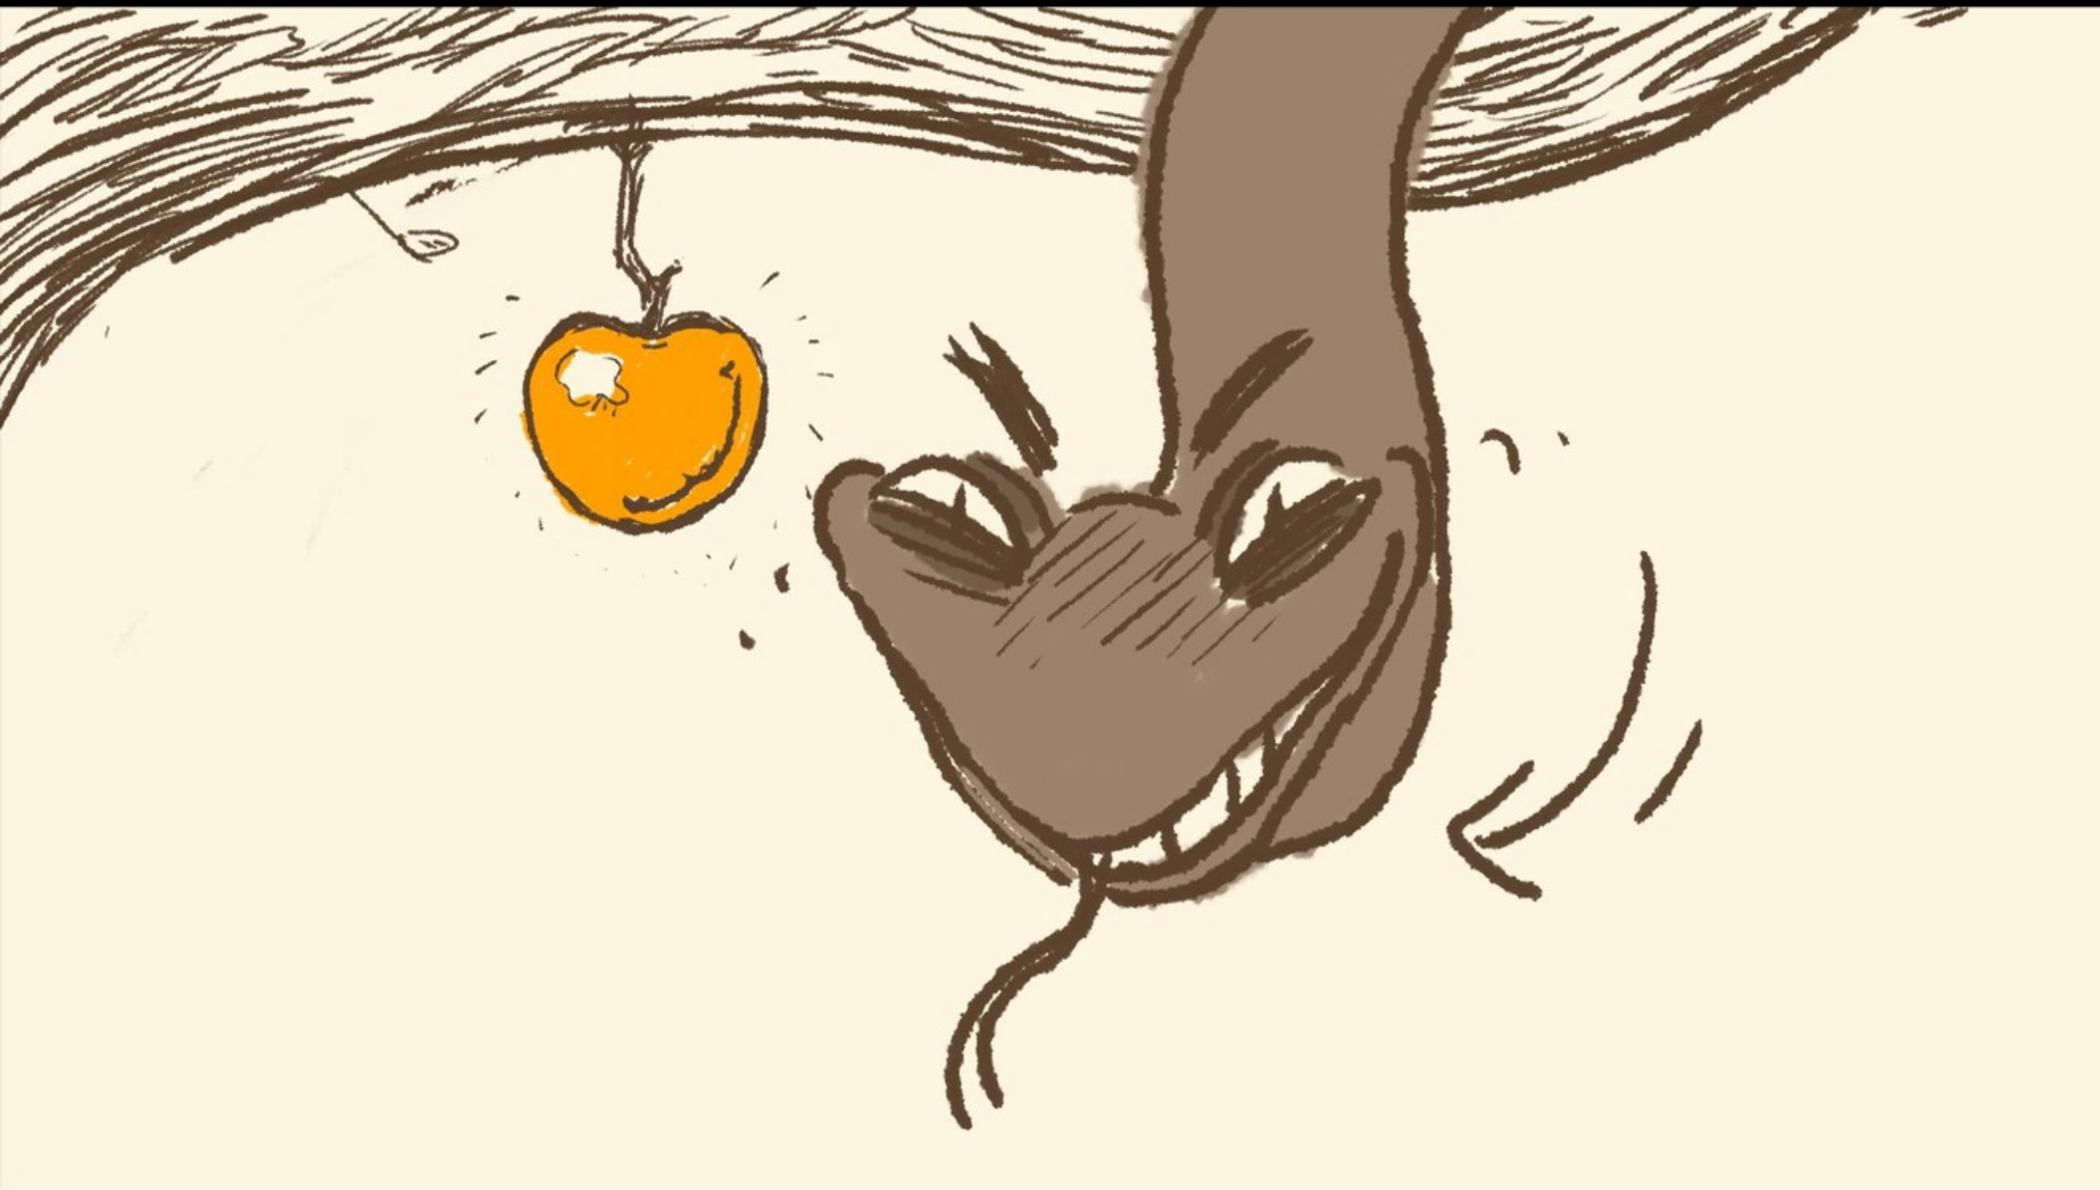

-You will be as smart-

-as God!

*Hisses sound **

-So, what you think?-

-Wanna have a tast?"

Serpent slowly moves his head towards Eve with an evil smirk.

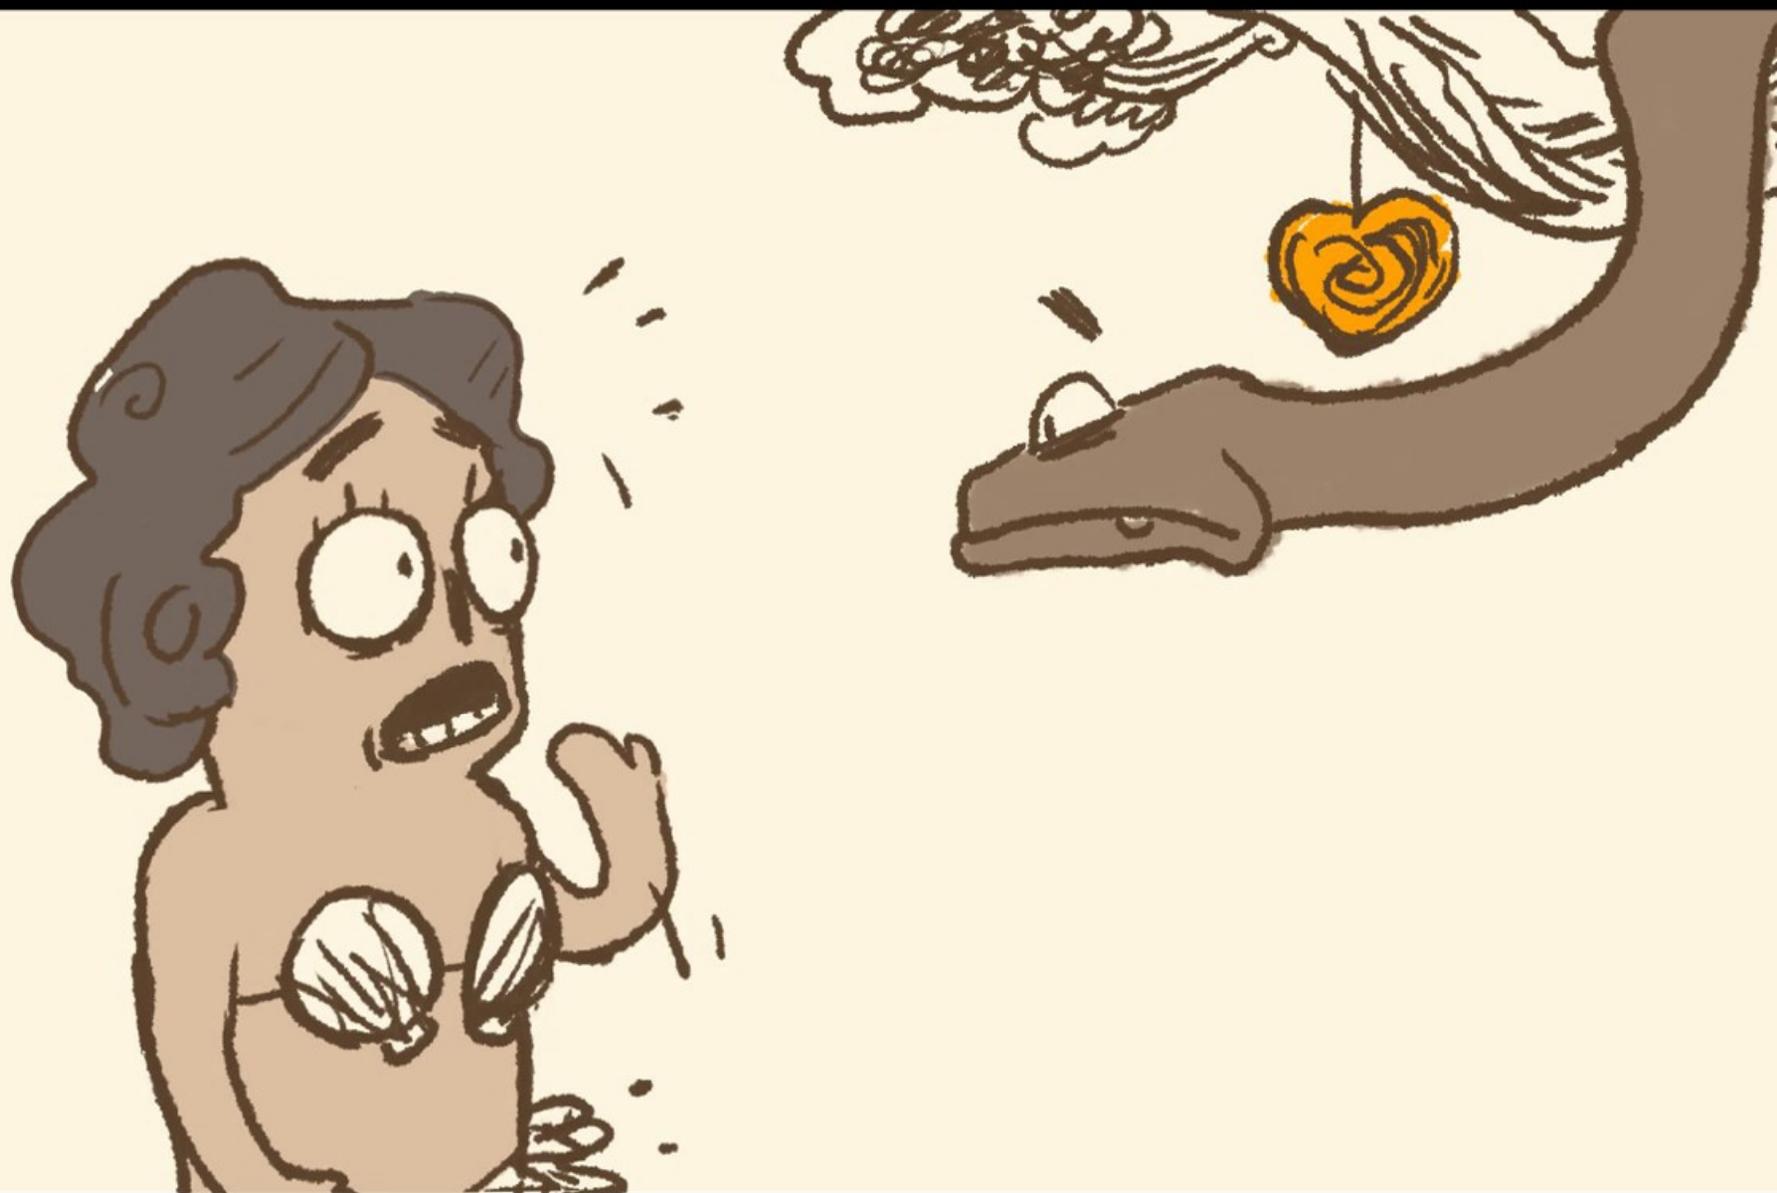

Silence.*

Eva stares at the serpent awkwardly.

Eva bursts out Cantonese slang: “歐哇！條蛇點會識講嘢？！”

(Oh waah! *\$%^#@!
Why the #\$@ this snake can talk?)

“可不可以食噃？”
(Is it edible?)

“呃。。。 ”
(HmMMM...)

.....

.....

“喂 亞當！ 過嚟呀！”
(Yo! Adam! Check this out!)

“你啲順德人，識唔識整蛇羹啊？”
"You are from Shunde (**City in China famous for making snake soup**). Got any recipes for snake soup?"

*Adame shouting outside of screen in Cantonese:
"㗎呀, 勁好食! 驅寒啊!"
(Oh yeah, of course! Snake soup is very good for
your health!)*

*“我哋成日無衫著，要食多啲補下~”
(I don't really have much to wear these days.
I need some snake soup to warm it up!)*

*Serpent yelling nervously: "Hey guys chill!
I l.. was joking!"*

"I I.. think I am in the wrong scene! Forget about it okay? ! "
